THIS·MONTH·IN·CLUB

Life's quiet at the Club HQ. "Leonardo" Midson, "Elton" Edwards and my good self lounge by the pool on our expansive roof garden, sipping chilled Grolsch and watching the models frolic naked in the sun. Dominant Dowse is on holiday in Transylvania, so those irritating cracks of the whip and shrieks of pain have ceased. My extensive collection of pets bask in the heat, chatting, playing cards, and occasionally eating each other as a good-natured jest.

It is at times like these that my editorial cranium ponders on the goodness of life. Nature has given us many things to be happy about, and like the mean, ungrateful creatures we are, we ignore them and spend our time moaning about the post taking three weeks and the neighbours playing *The Lady In Red* continuously through the night at 96 decibels.

We shouldn't. The human race must count its blessings, and give thanks for the many gifts nature has bestowed upon us. Gifts like these:

1. Arthur Askey is dead.
2. So is Bing Crosby.
3. Those plastic balls you can put in the washing machine so you don't have to deal with all the disgusting powder that's always stuck around those trays up the top.
4. The fact that those plastic balls you can put in the washing machine provide a great topic of conversation for picking up girls when you're down the laundrette.
5. YOP yoghurt drink.
6. Remote control car lockers.
7. Those Switch cards that mean you don't have to spend five minutes writing a cheque for a packet of Brillo pads in Safeways with a queue of eight homicidal shoppers behind you.
8. VW Karmann Ghias.
9. The fact that we've finally got rid of naff editorial dogsbody Robert Swift.
10. Dime bars.
11. Grolsch lager.

I'd include Club, but it seems to go without saying. Till next month, when it's bound to be pissing down with rain and Spurs will have made another hopeless start to the season... - *Ed.*♣

IN·THE·BAG

If you've been at it like a rabbit, then send your rampant ramblings to: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

Dear Clare,

I loved your pictures in Vol 19 No 5, and I couldn't believe my luck when you appeared again in the next issue too. I don't know whether I was more turned on by your lovely, sex-kittenish face with those sexy specs, by your sensual, lithe body or by that outrageously stimulating black frilly gear you were wearing.

What really got my rocks off was the idea of you coming into my office dressed like that, flaunting yourself over my desk. I'd love to see you bending over the desk, your gorgeous arse in the air, poised for my stiff cock to squeeze its way between your inviting pussy lips. As my cock sinks in right up to my balls, you're looking at me over your shoulder, your gorgeous mouth open, panting. What a thought! - *Brian, Bolton*

Love Thy Neighbour

My husband and I have been reading Club for over a year now, and we both get really turned on by the pictures and articles. My husband always comments on the lesbian *Talking Blue* stories in particular, and has indicated that he'd like to see me with another woman. Although I tell him I'm not interested, when he's at work I read the lesbian stories closely and play with myself until I come. And he has no idea of the lesbian affair I had in secret right until the day we were married two years ago.

The situation arose when my parents divorced in 1984. They had always been extremely close friends with our next door neighbours; the two couples did everything together. I was close friends with their daughter too. We were both the same age - 19 - and had a lot in common with each other.

What happened was very strange. When my parents divorced, so did our neighbours - and everyone then remarried each other! It seems that they'd been swapping partners for some years and decided that they wanted to swap permanently. Obviously, this came as a shock to Lisa and I, and we used to spend hours talking to each other and seeking comfort.

One day, things went a little further. We were in Lisa's bedroom discussing the situation. Lisa was saying: "It's so odd that everyone was fucking everyone else the whole time. I wonder if my mother ever did it with your mother?" She paused and then said, "Everyone was fucking each other, except you and I." I looked at her but made no comment, but Lisa didn't let things stop at that. She put her arm around me and pulled me close.

At first I thought nothing of it, as we'd often done that before when comforting each other, but then she went even further; she began kissing my neck and feeling my boobs through my blouse. I couldn't move as she whispered that she'd wanted to fuck me for a long time.

As soon as she said that, she began rubbing the outline of my cunt through my trousers. I felt so horny; Lisa was turning me on and I couldn't help myself.

"I want to lick your clit," she told me, sliding her hand inside my trousers and beginning to fuck my cunt with her fingers. The next minute we were urgently undressing each other. When we were both nude we stood and felt each other's body all over. I can still feel the heat from her skin as I'm writing this. We were literally on fire for each other.

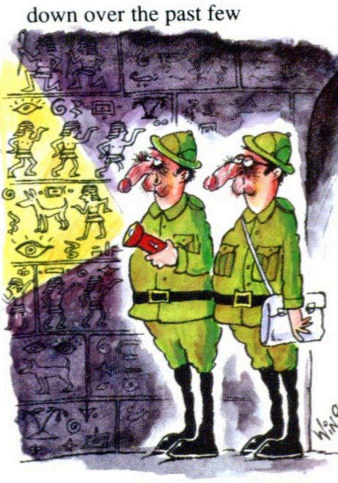
We fell to the floor, overcome by lust, and began to lick, suck, kiss, tongue and smell each other's cunt. We 69ed each other until we were both exhausted from coming, and I did things with Lisa that I'd never thought possible.

After that day I fucked her whenever I had the chance, right up until I got married. The night before my wedding Lisa ate me out, sucking my cunt and licking my clit, and finished by fucking me with a strap-on dildo "to get me used to the feeling of having a cock up my cunt"!

For the past two years I've not slept with a woman, though I've wanted to on many occasions. I would really love to lick out a pretty cunt while I watched my husband's cock pump her pussy from above me until he filled her with come. The thought of licking a woman's cunt and my husband's balls at the same time is something that I find unbearably erotic. I just hope my hubby is reading this and guesses that I've written it! - *"Anon"*

Good Vibrations

I've been having a relationship with Anne (not her real name) for over four years now. Our sex life was fantastic when we first met, but had really simmered down over the past few



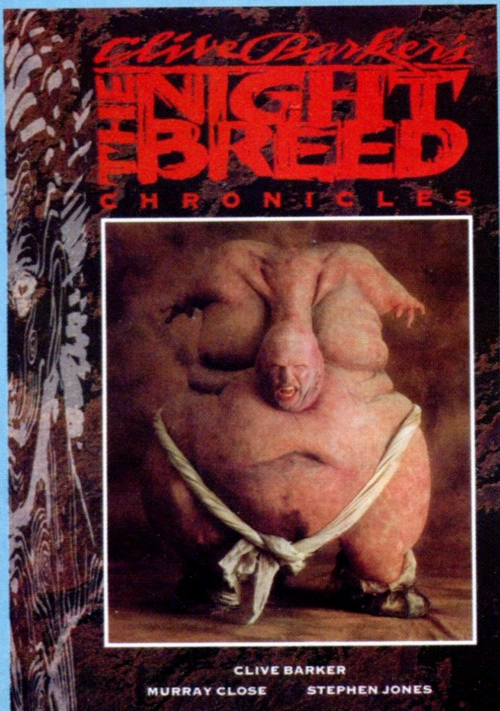
Just the usual crap about a Pharoah's curse!

PLUG!

No, much as you might think your eyes are deceiving you, this is *not* a picture of the Ed when he was in the Lower Fourths. He looks even worse. This is, in fact, a publicity still from the cover of the latest book by the undisputed king of horror, Clive Barker.

Young Clive is either a man with a very nasty imagination, or else he partook of too many mind-altering substances when he was at college, because his book *The Nightbreed Chronicles* (published by Titan at £3.95), which came out in March, contains tales of dastardly doings by these monstrous deities who've hidden from the sight of mankind for centuries. Rather like our esteemed Ed.

Now the outrageous film *Nightbreed*, based on his hugely successful novel *Cabal* and featuring these hideous slimeballs in central roles, is to be released next month. So if you want a glimpse of what life's like at Club, pop along to a cinema near you. *How much did the publishers pay you, Dowse? - Ed.* ♣



That was the kind of scene I was imagining when I posed for that set, Brian. As I said when I appeared, I'd been doing some temping work and I really fancied one of the blokes I worked for. It was only on my last day that I tried this out on him, and it was so arousing to see his cock surging in his trousers as I bent over his desk and gave him a good view of my cleavage. I'm just sorry that I wasn't naked! - **Clare** ♣

That night, Anne asked if we could stay in that night and watch one of my collection of adult videos. Of course, I readily agreed, though I was a little surprised at her request, and we moved the TV and video into the bedroom. While I did this, Anne changed into a beautiful cream teddy with stockings and suspenders.

I decided to play my softer video choice first. As Anne

If you're feeling a little dicky at the moment, then 20-year-old Carrie Gray is the girl for you. That's because she works as a doctor's receptionist in South London.

"Not that you'd recognise me in my prim suit with my hair tied back," she says. "This is my way of giving the patients a *real* tonic."

Outside the surgery though, Carrie admits to being a compulsive flirt. "I love eyeing up a man," she whispers huskily. "If I fancy a guy I always make the first move."

One of Carrie's weapons is her range of stockings and sussies. "A flash of stockings is the quickest way of giving a guy a hard-on."

And once she's sorted out their little problem? "Forget cool and clinical - try hot and horny!"

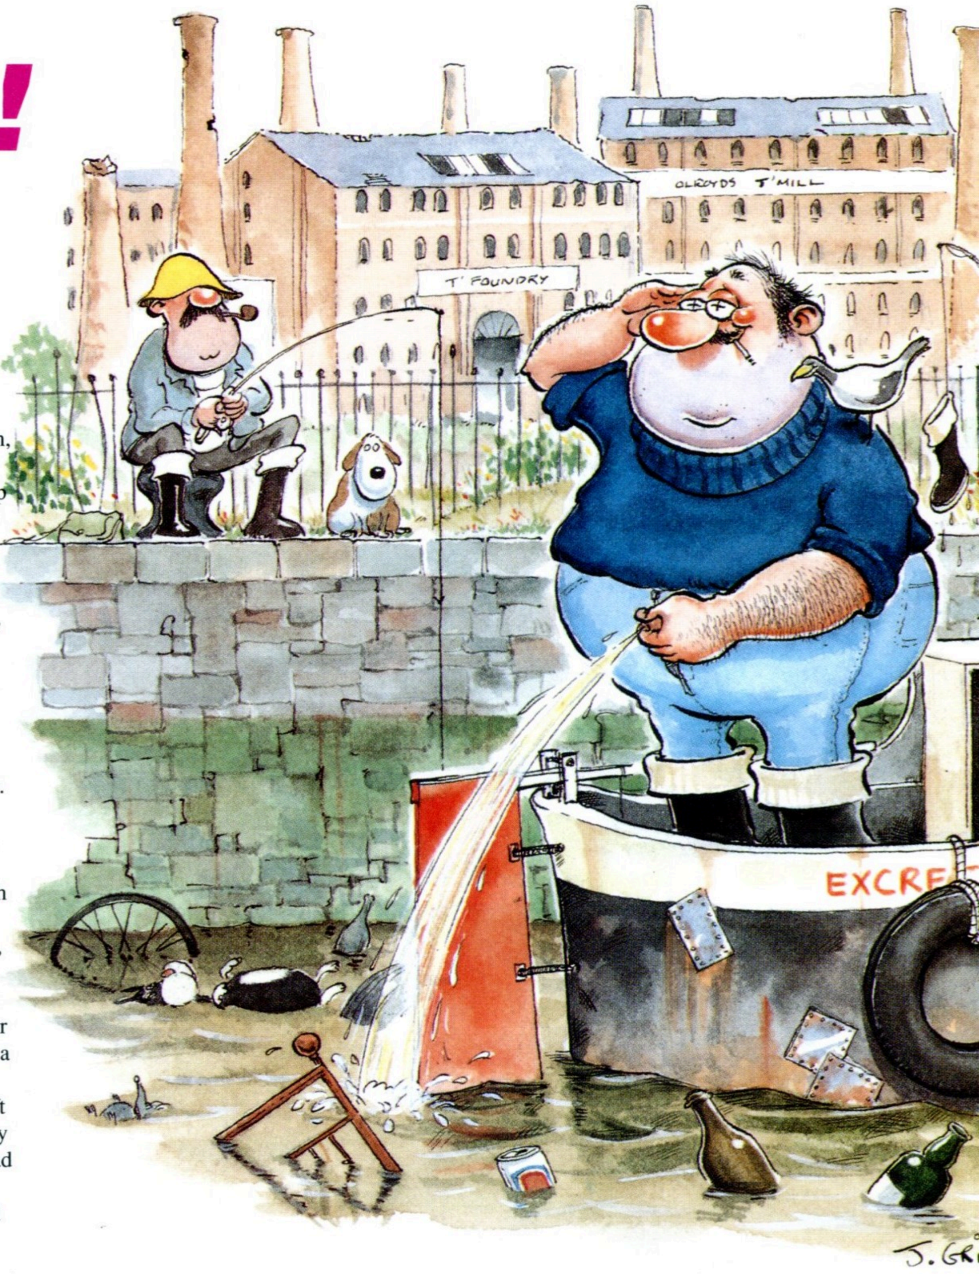
GOBBLE!

There's nothing quite so pleasant as messing about in a boat. But resident scoffer ***Nathaniel Fatbastard*** *is certainly nothing pleasant - he prefers boating about in a mess...*



I've done an awful lot of big jobs lately. As a respected restaurant reviewer, I've been forced to eat five course lunches and dinners every day in order to write reviews for magazines. Only last week, I dumped a load in the reception of the *Sunday Crimes* colour supplement. Naturally, my pile was immediately swept up to be put under the editor's nose. With me, he knows exactly what he has on his hands!

But keeping going all the time takes its toll. Like the morning after a good curry, I've been burning it at both ends lately, and last week I just couldn't face going through the motions again. So I decided to wipe the slate clean and adopt a lower profile. I went on a boating holiday.

I never forget how enjoyable it can be touring Britain's waterways. As a teenager I went to Norfolk for a week on the Broads. We had a great time, and the broads enjoyed it as well.

This time I decided to hire a boat from a small company in the Midlands, *Rusting And Leakey Of Tipton* (10b Canal Passage, Dudley). A word of warning. If Birmingham is the arsehole of the country, Tipton is ten miles further on, and Canal Passage sums the place up. A small dark, damp cobbled alleyway leading to the cut, it's appropriately named, especially as the C had dropped off the sign.

At the *Rusting And Leakey* boathouse, I was met by a large man wearing an Arran sweater covered in more oil than a North Sea guillemot. His range of boats was enormous, except in number. It was a choice between a tiny plastic plant pot holder, *Saucy Soo Too,* which was about as stable as a fuck with a fat girl, or an 80 foot traditional steel narrow boat, *Excreta of Wolverhampton. Excreta* is an ex crap butty - no, not the northern name for a British Rail sandwich, but a barge that hauled industrial waste from the south and left it in the Midlands where they called it scenery. Inside it had been completely converted, except for the smell, with all mod cons - and some older cons as well, like coin operated meters for electricity.

After the shit-covered Spinner clone showed me the sophisticated controls - a knob to turn it on, and a fucking great iron pole to steer it - I cast off. Steering an 80 foot long boat from the back proved difficult. It's like squeezing around a bird's bedsit at night with a massive hard-on. Then came the first lock - a deep filthy edifice with all the hygiene and sophisticated plumbing of a seven quid seaside guest house. After pushing the rotting gates, opening rusted Victorian sluices, and climbing ladders coated in canal smegma, I was so knackered I fucked off down to the pub.

Ye Olde Navigation Inne (31, Towpath View, Walsall) claimed to be a traditional canalside ale house. It was decorated with primary coloured buckets with castles on, rose-decked watering cans and bits of boat hanging from the ceiling. On one wall were black and white pictures of the great days of waterways, featuring filthy bearded bargees in greasy boiler suits, next to a large sign saying, "No dirty boots or soiled overalls allowed in this bar".

I settled for eight pints of Muddybanks Best (95p) and a Big Navvie Burger in a Basket with French Fries and Salad Garnish (£3.50). The food was crap but unlike the pub, the beer did have the traditional flavour of the canal. It tasted of dead fish and diesel oil.

After lunch I made my way south towards Birmingham. The guide book promised 'historic industrial architecture' - by which they meant factories closed down by Mrs Thatcher. Still, no drink-and-drive rules meant I knocked back ten cans of Bowells Brew XIII as we chugged along, engine and bottom burbling happily. Rather than keep stopping, every so often I'd take a piss off the back of the boat.

"Bloody 'ell, you've gorra long one!" said some Midlands moron still waiting his chance to borrow the Municipal 'O' level. "I bet you gerra lorra berths with that, orr kid."

I hurriedly tucked my tiller back in my trousers before realising he was talking about the boat. It wasn't long before I'd composed a suitably witty riposte.

"Fuck off!" I quipped.

Birmingham, as the guides repeat more often than the warning about "Minding the Gap" on the Northern Line, has more miles of canal than Venice. Sadly, the architecture is not so much beautifully painted Canaletto, as graffiti-painted crappy ghetto, so it's best to get out the other side as soon as opening 13 locks in the city centre allows. I spent the night near Edgbaston after 12 pints in the *Grant Drinker's Arms*, a student pub full of youngsters evidently

WOLVERHAMPT

IN ARREARS

It's time for another rear view from your master of arse. This issue, I want to get to grips with the subject of wet ones. Slippery, shiny, drenched and dripping, there's nothing like a dunked rump.

Avast behind! I spot a Great White Tail frolicking in the sea. No, it ain't *Jaws Four* but a skinny dipper playing in the waves. These sea birds like nothing more than diving in wearing just a smile. They can catch balls on their chins, play with horns and blow instruments, though they rarely get a decent tune out of them. However, there are always plenty of people on the beach prepared to give them a warm hand.

When the weather's too chilly-on-the-willy for skinny-dippers, then head for the health club. Many a gorgeous girl likes to dip their hips in a jacuzzi. The bubbles on their bums tickle their fancy and turn them on like a thousand fingers fiddling with their frilly bits. To try this at home, stand by her bath and offer to pat her butt dry when she surfaces. The jets will have teased her twat into a turmoil ready for you to move in - from behind, of course.

Yes, I love a shiny, wet bot. They're the moistest. - *Ricky Rear* ♣

studying for their B.A. Hons. (Twat) (failed).

Next morning, I woke up to find that the boat's toilet facilities consisted of a plastic bucket full of blue stuff that was supposed to dissolve turd like an anal Alka Seltzer. So I settled for shitting on the towpath before breakfast - eggs, bacon, sausage, tomato, mushrooms, black pudding and fried slice washed down with tea and rum.

Full of fried food and with three six packs of Tennants Eviction Extra Strong Lager (99p a can) beside me, I came to realise what boating is all about. It was warm and sunny, and the tranquillity was only broken by my backfiring buttocks. The profusion of wildlife was amazing. Badgers, foxes, red squirrels - I lost count of the animals that floated past feet upwards. Anglers waved as I went along tangling their lines and scaring the fish. Whole families turned out to watch as I deftly manoeuvred *Excreta* in and out of locks, pausing only to piss noisily on the bank.

I was completely relaxed. So much so, I didn't see *Saucy Sal The Second,* a 20 foot cabin cruiser driven by a double breasted blazer with a peaked cap and his bimbo first mate, until it was too late. The steel hull sliced their glass fibre life savings clean in two.

I fished out the soggy pseudo sailors with my boathook. The old man was as well as a purple man can be, but his tart was unconscious. I was just about to apply vigorous chest massage followed by the kiss of life when, yo-ho and up she rises, my breakfast hit her full in the face.

I was forced to abandon ship, and later had to accompany several West Midlands' constabulary officers to the station to give a statement. Did you know that keel-hauling is still illegal in this country? ♣

FOCUS ON FLIPPER AND FLAPPER

Continuing our peticularly animalistic animations, here's the fourth in our series about Mein Fuhrer's ridiculously large collection of pets.

This month it's feathery fluffballs Flipper and Flapper (they're the only chicks the poor guy can pull, let's face it). The Ed hatched an idea the other week, and went to buy some eggs. After getting Dominant Dowse to sit on them (a change from her sitting on his face) he is now the proud owner of two beautiful ducklings. He was hoping for dolphins, but he couldn't afford a swimming pool; but he was still determined to call them Flipper and Flapper anyway.

From birth, they were put down for membership of the Tottenham Hotspur fan club, swelling its ranks to three, and his next wheeze is to train them to ward off rottweilers and/or ex-girlfriends. Consequently, Flipper and Flapper are now booked in for martial arts lessons.

When we last spoke to them, they were both going cheep. We told the little bastards to get stuffed.♣

NUTTER'S CORNER

Every month yer actual Club exclusively brings you the world's most ludicrous loonies, but in this edition we've really pulled all the stops out. We have a horrendous headcase of the highest order.

Professor Jake lives alone with his dog, a mediaeval pillory, numerous knackered musical instruments and a pile of old bidets. Too lazy to tidy up, the bearded bozo spends much of his time resting - wrapped in white robes and standing up in a coffin in the middle of a graveyard *(The poor bloke could catch his death - Ed).*

But the life of a complete meathead is not all relaxation. There's the dog brush to be walked. Most days the mad professor attaches his patient pet's lead to the brush and drags it round the village boasting about its pedigree.

As for the prof's *real* pooch, the lucky blighter gets to ride in the maniac's motorcycle. With its special aerodynamics and customised sidecar for his canine sidekick, it does tend to raise a few eyebrows. Children love him, and regularly turn up at his house to pet the dog and hear him tell stories. The neighbours are a little less impressed.

But however busy he may be storytelling, brushwalking or merely dozing in the coffin, he always stops at precisely five o'clock every day. This is when he settles down to the main task of the day, his whole *raison d'etre*. He rings the Queen.♣

SON OF BAD JOKE

This month's crop of corn comes from Ralph of Norfolk, where the scenery is as flat as his jokes. However, with the evenings drawing in, we reckoned Ralph needed the Club T-shirt to keep warm.

Why is Italy shaped like a boot?

Because all that shit wouldn't fit into a slipper!

What's more impressive than a girl who can play the piano by ear?

A man who can fiddle with his willy.

Two men were sitting in the pub boasting about the size of their plonkers. George had just listed his sexual conquests and how impressed all the girls had been with his ten inch dick when Jim came up with his reponse.

"That's nothing," he said. "This morning, I woke up, and then went down two flights of stairs to the front door with my pyjamas on. I then bent down, picked up a pint of milk in either hand, met old Mrs Brown on the landing, had a chat and went back upstairs to bed ."

"That doesn't say much for your cock!" his mate scoffed.

"It does if you you've lost the cord from your pyjama trousers."

"My new boyfriend is like a Ferrari," said Mary to Lorraine. "He's fast, Italian and goes like the clappers."

"My Nigel is more like a second hand Cortina," said Lorraine. "He's ageing and British, but after a bit of touching up he can take four with ease."

Doctor: There's only one cure, Mr Johnson. You've got to have sex every night for four weeks.

Patient: Great, but who's gonna look after the wife for a month?

Phew! What a merry mirthmaker you are, Ralph, and no mistake. We've all been rolling around on the floor beating our heels. We knew we shouldn't have had the roast beef sandwiches for lunch.♣

TAPED!

There's never a dull moment with blue movie buff ***Allan Bryce****. Playbirds, horny housewives and Willy Russell; and that was just on Monday. Is there no end to this man's perversions?*

What a month I've had! Firstly I took my car for a service and couldn't get it through the church door. Then I won a time-share in Beirut and found Lord Lucan squatting there. And lately, I've been making enquiries about doing up the west wing of Bryce Towers, which has fallen into quite a state of disrepair. I put an advert in the local newsagent's for a handyman and this fellow named Murphy popped round for an interview.

"Can you lay bricks?"

"No!" he replied.

"Can you saw wood?"

"No!" he said.

"Can you mix concrete?"

"No!" he said.

"So what's handy about you?" I enquired.

"Well," he said. "I only live round the corner."

After all that aggravation it was a relief when Percy the Postman turned up with a bulging packet of video saucies. The trusty 37-incher throbbed into action and I settled back for a blast of **Army Brat II - The New Recruit**. Now I don't know about you, but I usually steer clear of films with Roman numerals in their titles, but as this has exactly the same plot as the first *Army Brat* movie, I don't think it's fair to lumber it with the label of sequel. Anyway, I'd watch anything that starred the gorgeous Julianne James (Club's girl of 1990), who is one of those ladies who makes me want to pop my eyeballs out and polish them.

The scene is Camp Pendleton, a very small military base that consists of two or three tents and a primus stove. The plot is basically *Private Benjamin* minus knickers, with Julianne playing the spoilt young rich girl getting licked into shape - literally - by a spell in boot camp. Much of this licking comes from busty Tracey Adams, whose horny camp commandant swings more ways than James Last on PCP. But Julianne also finds time to check out some very big privates, like Tom Byron, a lad who has a set of wedding tackle that would make even Shergar jealous.

Fans of the current American porn scene will also be pleased to see other familiar faces (and forms) like Sasha Taylor, Vera Butler and Lynn Connelly in this enjoyably saucy comedy. I've no doubt that in its original form it was hotter than a bargain break at Chernobyl, but the censor has done his usual Freddy routine on this 60 minute 18 rated version. Never mind, it's still one of the best adult releases I have come across in ages.

Now, let's get serious for a moment, and examine two new 'straight' video releases

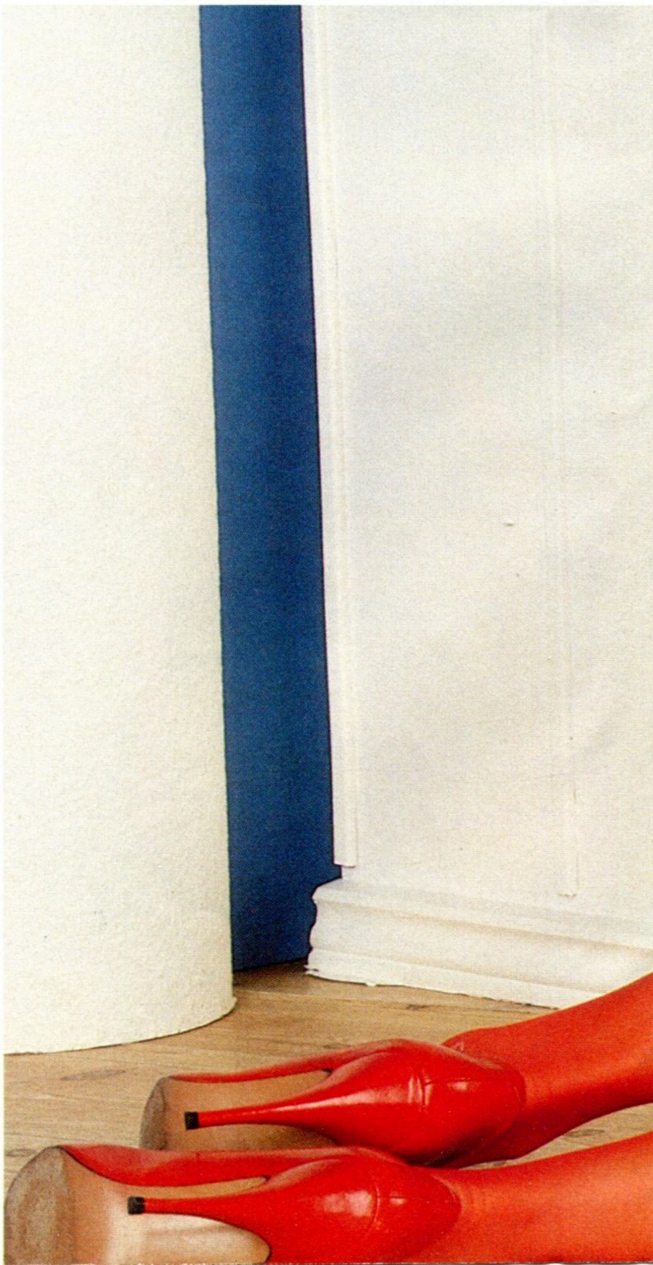
CLARE

Photographs by Neil Carter

When Clare appeared in Vol 19 No 5 and the next issue, she never expected there'd be a third time. "After my last appearance," the brainy blonde told us, "this guy rang my agent out of the blue and offered me a job - no, not modelling, but as his legal secretary! Of course, it took him a while to persuade me that it was my brains, not my



boobs, that he was after.

We hope that doesn't mean she'll be giving up modelling. "Of course not! What a daft idea. I love it too much, thinking of all your readers getting excited over me, to give it up. I'll still be on the case at weekends!"♣

frog!

If a Frenchman with a handbag bursts into your house and says he wants to jump off the roof, then he might not just be a local loony queen - he could well be the mysterious French nutjob The Great Jumper.

The Great Jumper, who has to remain anonymous as his feats are highly illegal, specialises in parachuting off buildings in public places, then running away before the police can prosecute him.

Perhaps his most successful day so far was in December last year, when he managed to leap off two of Paris's tallest landmarks before lunch. He started at 7am on the Eiffel Tower. After climbing the East Pillar, he reached the top, a mere 1000 feet up. Then he waited for daybreak. After making sure friends, sworn to secrecy, were on hand to record the event, he leapt off. To the surprise of Parisienne commuters, he then drifted down and landed on the lawn of the Champs de Mars some 15 seconds later.

As soon as his feet touched the ground, his *bon amis* whisked him away before the gendarmes could catch up and take the canopied crusader in for questioning.

A couple of hours later, he was at it again. At 1pm, with his parachute disguised as a shoulder bag, he bought an ordinary spectator's ticket to the roof of the famous Montparnasse Tower - a 56 storey office block. Baffled tourists could only stand and stare as the Fall Guy suddenly climbed over the protective railings and shuffled along a ledge, over 500 feet up. Then, after shinning along an antenna jutting from the building, he jumped.

Ten seconds later he was within a few feet of the ground. However, landing in a shopping mall during the height of the Christmas rush is somewhat more hazardous than the parkland surrounding the Eiffel Tower. As he plummeted to the ground he crashed through an advertising hoarding and narrowly missed an orange vendor's stall. The astonished salesman is currently recovering well.

It was now 1.45pm, and hurriedly bundling his chute back into his bag, the mysterious Great Jumper disappeared into the amazed masses of shoppers. Again *les flics* were too slow to catch the French Drooperman, and he pissed off for a quick baguette, leaving the crowd asking, "Who *was* that masked man?"

So if you're driving through France and a heavily disguised Parisienne parachutist plunges through the sunshine roof of your 2CV, you'll know why, after you've punched him on *le snotbox*. Yes, it's all in a day's work for... The Great Jumper!♣

ginny

If you've ever been in hospital and eyed up those sexy nurses in their uniforms, then it's your lucky day. Ginny, our regular girl of your dreams, has made every man's fantasy come true this month. We'll let her tell you in her own words why she just *had* to do this one...

"A couple of years ago I had to go into hospital myself to have my tonsils out. I was there for two weeks - and although most people hate having to go into hospital, I loved it! All the

doctors and the male nurses made a real fuss of me, fighting over who was going to bring me my food and give me my medicine - and I can't say what happened when it was time for me to have a bed bath!

"So I knew I had to pose in a nurse's outfit when I started my regular column, because all the nurses on my ward were such fun and so randy, and were always full of tricks designed to get the male nurses and doctors turned on.

"I must say that one of the doctors there was rather hunky, and I turned the tables on him once. One day I was feeling much better, but I still wasn't allowed to go home. I was so bored and frustrated - and so I decided I'd have a bit of fun with this doctor. I hid in the bathroom, and when he came past after finishing on my ward, I called out to him, pretending I'd slipped over in the bath.

"Of course, he came rushing in, to find me standing there in a pair of my best stockings and suspenders! The bulge in the front of his trousers said it all, and I must have given him the quickest handjob in history before he had to get back on his rounds. But at least he had a smile on his face!

"So I decided that I'd think of that little episode as I posed in my nurse's uniform. It certainly brought a smile to *my* face too - and I hope it brought a bulge to your trousers! See you next month."♣

penned by playwright Willy Russell. **Shirley Valentine** is the most well known of the two, the film that brought Pauline Collins more awards than she had mantel space, for her fine performance as a downtrodden Liverpool housewife off on holiday to sunny Mykonos.

"I'm going to Greece for the sex!" she shouts to the neighbours. "Sex for breakfast! Sex for dinner! It's called the F-Plan!"

Once there, she meets sympathetic and charming waiter Costas (Tom Conti), who tells her: "I would really like to make fuck with you..." As fine a piece of popular entertainment as one could wish for, this bright, soft- hearted fable is full of sprightly one-liners, many of them delivered straight to camera by Collins. Miss it at your peril.

The other Willy Russell movie to reach our home screens this month is **Dancin' Thru The Dark**, a lively comedy/drama in which two parties of wacky Scousers go on the razzle. It's the eve of Dave and Linda's wedding. The trouble is that Dave's stag do and Linda's hen party are heading for the same tawdry night club - where the cabaret is provided by Linda's old flame Peter, who still has a soft (or hard?) spot for her...

Sharply observed and full of good performances (from what seems like half the cast of *Brookside*), this loses some of its appeal when it starts to get serious. But there are still some great Russell one-liners to cherish.

Back to the saucies now, and a steamy little number called **Hot Playbird**. The cover girl for this erotic opus is none other than our very own former Club favourite Andrea Clarke, but sadly she doesn't actually appear in the movie. Nice cover, though.

The film itself is a French-made trouser-teaser about a fickle young lady named Beatrice who finds herself drifting away from her husband and into the arms of her beautiful friend Helene. Well, as the great Jim Bowen once pointed out, there's nothing to be gained from just two in a bed, so pretty soon it's menage-a-trois time. Eventually Bea's husband starts going further in his erotic games and dresses up in ladies' clothing, but I found this a bit of a drag!

I much preferred **The Salesman Comes**, which kicks off when two frustrated housewives get together for their regular coffee morning. Enter a good-looking stud selling 'Fantasy Tea', and before you can say "I could murder a cuppa", he's got his hands on their perforations.

Gutt Of The Stunt

Caught in the silly mid off once again, your sports scribe ***Frankie Gutt*** *manages to slip one into the outfield. Send that man off...*

Wotcha, pigeon-fanciers. Franklyn G. Gutt speaking, super sports hack with North Devon's own cornucopia of crap and crumpet *The Exmoor Stunt* ("The daily with Britain's biggest Spot-the-Sheep competition").

The fates must have had a dodgy curry this month 'cos they've certainly dumped heavily, frequently and from a great height on your old mate, F. Gutt. First off, I was involved in an embarrassing incident with a telephone sex line. I got my dick stuck in the receiver. This alone would not have caused me to blush, it was just that there was a queue of people waiting to use the phone.

Following this fiasco I was glad to take my throbbing todger off to sunnier climes, namely the Temperance Hall, Totnes, where the West Country's heavyweight hopeful, Big Fred Dumbo was having his latest outing against a 'top American opponent'.

The Yank in question was none other than the infamous Howie Fallsdown. Fight fans will remember that Fallsdown recently won the South-East Idaho title from ring veteran 'Blind Lemon' Pensioner in unusual circumstances. After one second of the opening round the referee stepped in and stopped the contest, adjudging that Pensioner was "missing, presumed cremated, and therefore in no position to defend himself". Sadly for Dumbo, he didn't get a chance to test himself against 'the punching palooka from the potato state'. On his way to the hall Fallsdown was injured in a motoring accident. A parked car hit him.

Now, readers may remember that Dumbo and I are not on the best of terms following a misunderstanding over his one-time girlfriend Debbi Dildeau. However, Big Fred recently elbowed Dildeau in favour of the ginormous javelin-thrower, Fatima Whopper, so this seemed like the ideal opportunity to get back in with him. Sidling up to him with my notebook poised I says, "Wotcha, Fred. Been working up a bit of a sweat on that heavy bag?"

When I woke up the place was deserted and my chin was as sore as a blind cobbler's thumb. Fucking temperamental, these boxers.

Things seemed to be perking up a few days later when I was asked to plug a gap on Radio Piddle's *Test Match World*. The vacancy had arisen due to a mishap which had overtaken regular commentator, Tim Wittering-Arsetalk (Or T.W-AT as he's known to friends and fans alike). The seven foot tall T.W-AT was sent to report on a match between Piddleham Cricket Club Ladies XI and the women of the Scilly Isles.

Wittering-Arsetalk has been covering the ladies' section at P.R.C.C. for some years, and it would be fair to say that in that time he's been in the covers for more than one slow-left-armer. Nevertheless the Scilly's skipper, Vivienne Bitchards, was less than impressed when T.W-AT attempted to tickle one between her slips. In the subsequent fracas Tim was lucky to escape with his middle-stump intact.

A sad state of affairs for the MCC's biggest member; a spot of good luck for your old mate, who was looking at picking up an extra monkey a day during the during the final of the Rumbuttocks' Navy Shag Trophy.

As everybody knows, *Test Match World* is the most popular radio show in the history of broadcasting. This is due to that cuddlesome crew of commentators: Brian "Bonkers" Bonkston, Fred "Sewers" Sewerman, Henry "Jobbers" Blojob, and the scorer Jill "The Braless Wonder" Fondle. The "Testies", as they are known, are worshipped by a group of female admirers ("The Testicles") who bombard the commentary box with drinks, food and offers of sexual favours. Suffice to say that Frankie Gutt was looking

forward to getting stuck into some housewife's cup cakes!

Despite my vast journalistic experience I've never broadcast live. To overcome my understandable nerves on this duck-breaking occasion I stopped in at the Rumbuttocks' hospitality tent and downed a few tots of Jamaica's finest tonsil-burner. This perked me up no end, and with a quick chorus of "Yo ho ho and a dead man's chest", I horn-piped into the commentary box.

The sight that greeted me would have even had WG Grace mistiming his strokes. The Braless Wonder was bending over to pick up her pencil, giving yours truly a bird's eye view of those famous free-swinging fistfuls. Lumme! It was all I could do to prevent myself from making a quick entry on her score-sheet. Then I heard a familiar voice.

"What-ho, Gutters! Glass of poo?" It was Bonkers.

From that glass of champagne onwards the rest of the day was a complete blur. Obviously the combination of anxiety, heat and the constant sound of Jill Fondle sucking the end of her pencil had your old mate in such a state that he was far from his usual self. At 3.30, when Bonkers opened the eighth magnum of the day, listeners were treated to the following exchange...

Bonkers: "Now Allan Sperm's been brought up to silly-point. Have you ever found yourself in any of the silly positions, Gutters?"

F.Gutt: "Hic. Well Bonkers, during the Munich Olympics I picked up this piece of Kraut crumpet who would only let me shag her if I dressed up as a camel. That's bloody silly. Talk about a good hump too."

Bonkers: "Yes indeed. Well now, Jill Fondle, what do you make of this field setting?"

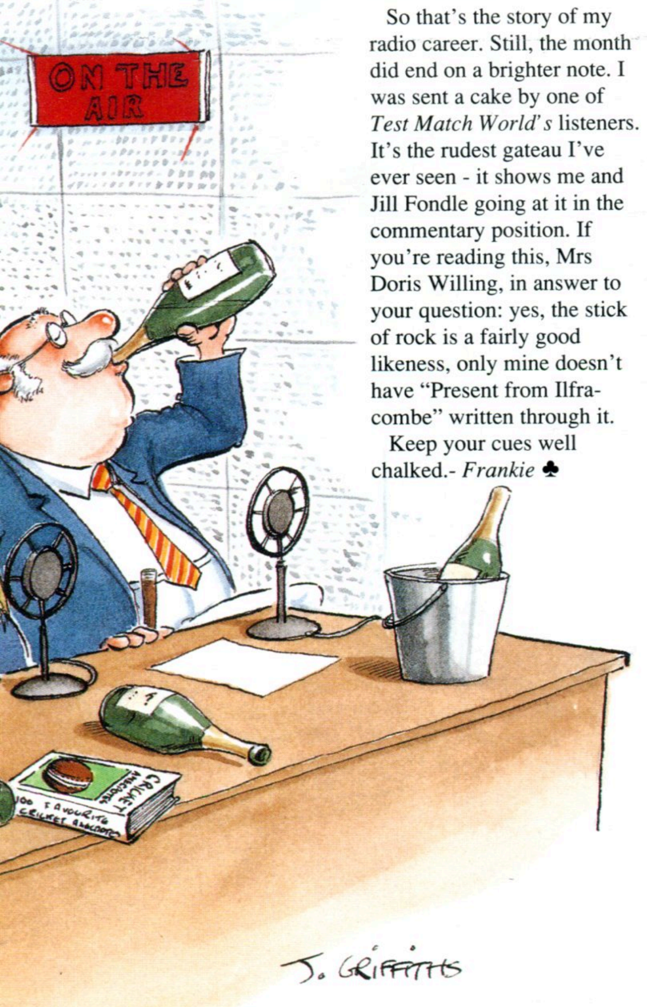
Fondle: "Personally, I'd like to have the short square leg moved in deeper from a backward position..."

In the bewildered mind of Frankie Gutt this last remark meant only one thing. With a raucous shout of, "Less of the short-square, darling. Drop your drawers and let's do it doggy fashion", I leapt on The Braless Wonder.

Within seconds, of course, I'd realised my mistake. My attempts to apologise were drowned out by the sound of willow on leather, or, to be more precise, bat on your old mate's bonce.

So that's the story of my radio career. Still, the month did end on a brighter note. I was sent a cake by one of *Test Match World's* listeners. It's the rudest gateau I've ever seen - it shows me and Jill Fondle going at it in the commentary position. If you're reading this, Mrs Doris Willing, in answer to your question: yes, the stick of rock is a fairly good likeness, only mine doesn't have "Present from Ilfracombe" written through it.

Keep your cues well chalked.- *Frankie* ♣



The car of the Rising Sun

Ah so! These velly silly vehicles come from Japan, and are, obviously, propelled by the Rising Sun. Costing between £16,000 and £120,000 a piece, some of these solar powered sports cars, with their squashed-chic sleek exteriors, can reach nearly 25 mph downhill with the sun behind them. On the other hand, if it's cloudy, they go nowhere. Isn't technology wonderful?

But take heart; with their practical, environment-friendly panels - barely detectable to the totally blind - they can really help conserve the Earth's valuable fossil fuel supplies. Not much consolation if you need to go to Sainsburys in the pissing rain, but still, if you're really green, you'll rush out and buy one.♣

HARLEY DAVIDSON - A Celebration Of The Dream **(published by Hamlyn) is written by Graham Scott, and charts the humble beginnings of the motorcycle many regard as the epitome of the the great American freedom machine *(Yawn! It's just a big penis extension - Ed)*. As you would expect it's packed with loads of beautiful colour pics of all your favourite 'beasts' or 'hogs', and also contains this quote that we rather liked: "Riding a Harley is the movement of rebellion, long hair, black beards, stained denims, red rimmed eyes, beer, ol' ladies, patches... Harley's best, fuck the rest!" Couldn't have put it better myself!♣**

settled into bed beside me, the couple on screen began to fondle each other. I could tell Anne was getting excited when she placed her hand firmly around my cock, which was still encased in my tight briefs.

During one of the following scenes a dildo was shown, and Anne got even more randy and hot. It was at this point that I decided to tell her that I'd ordered her a vibrator for her birthday.

I wasn't quite sure how she'd react; I thought she might feel a little embarrassed or that the idea might even turn her off. But her reaction was one of eager delight, and she began asking me to describe what I'd do with the vibrator for her. She was obviously getting more and more excited as I spoke; her fanny was soaking. I'd never known it so wet.

By now that video had finished, so I got out another, this time fairly hard core stuff. Anne had never seen one this hard before. As we watched a girl sucking a

TOP TITS

This month, fellow mammary men, I'm going to get to grips with nipples. Those pink pleasure domes are more fun to lick than any ice cream. In fact, if Walls did raspberry nipple cones, I reckon it would be flavour of the month 12 times a year.

Nipples come in three colours - pink, red and brown. Pink are the sweetest, tiny little tasty buds of pleasure. Red are raunchier and juicy as cherries on two scoops of ice cream. And brown? If your lady has dark tan twiddly bits, she's a girl who loves to have her cock and eat it.

Now once you've found a pair of protuberences to your taste, how do you handle them? The answer is, with care. Whilst some like to squeeze them between finger and thumb like erotic Oxo cubes, the best utensil for nipple tickling is the tongue. Dust the tip lightly, followed by rubbing them between the lips like a roll-up. Then, and only then, should you start sucking. You'll be rewarded with a glow far better than any five star Napoleon brandy can give you.

No, for an after dinner nibble, you can sod your Stilton or wafer-thin mints. Give me a tipple of nipple any time. - *George Breast* ♣

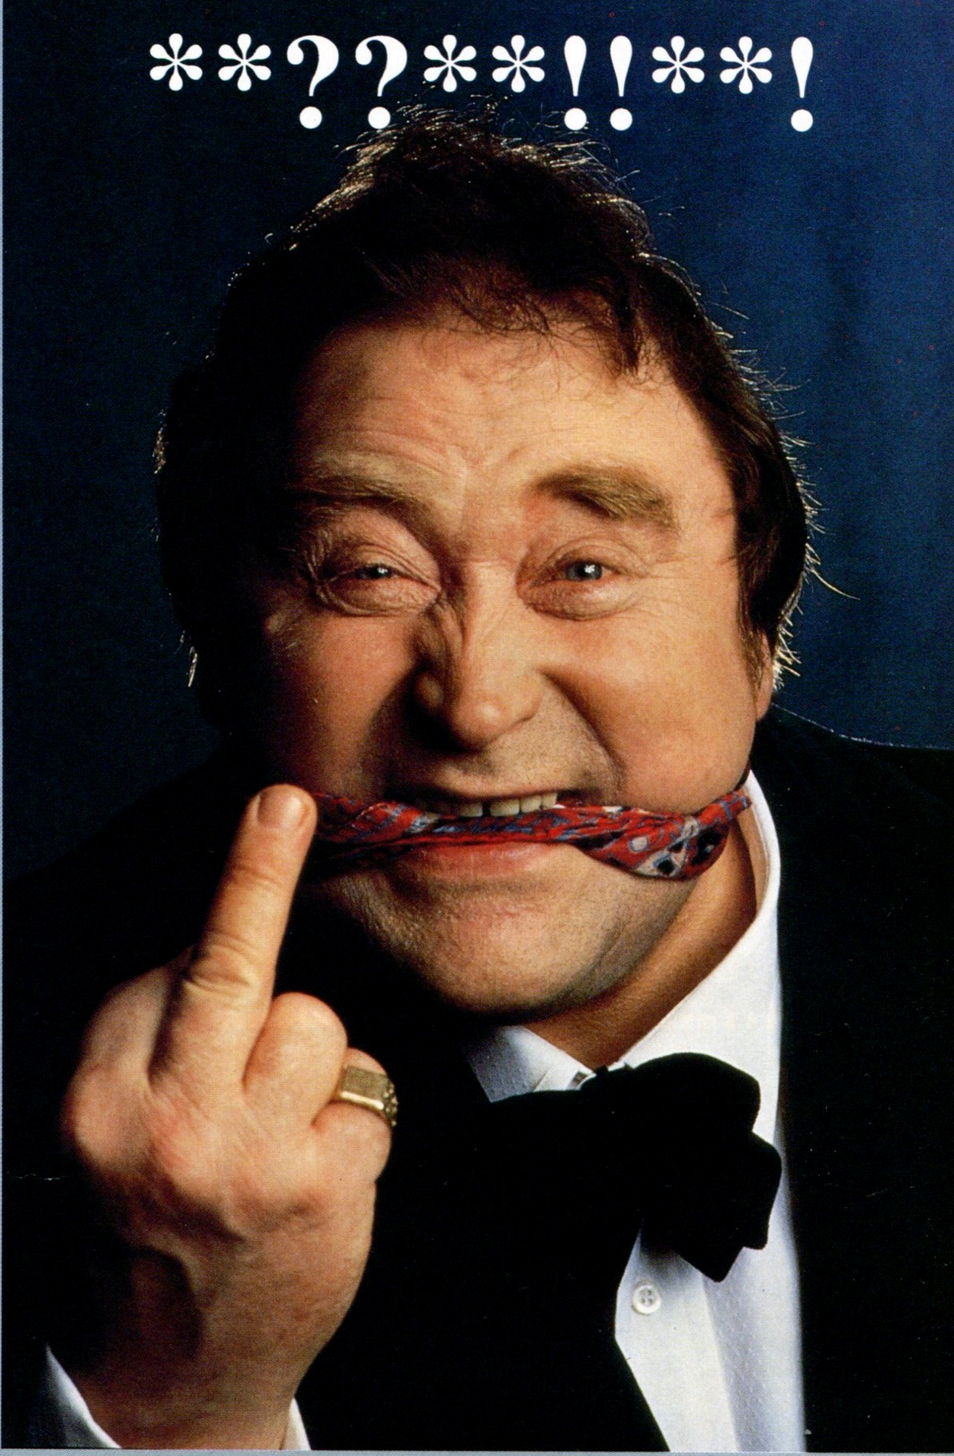
If you're looking for a Roman holiday, then you'd just better hope you meet a girl like Suzi Frattini. Frankly, my sons, she's gorgeous. Suzi's a pretty well known model in her home country of Italy, but this is the first time she's appeared in the UK. And what's her verdict? "I enjoyed it very much, because English guys accept that a girl can be very sexy much better than Italian men do," she says. "I'm not ashamed of my body - I think it's lovely, don't you? And so I want to show it off for guys. What could be more natural than that?" And what could be more natural than every one of us going, "Fwaaa!" ♣



Infamous comic Bernard Manning is the most famous fat, foul-mouthed man in Britain. Bringing up a close second is Club roving reporter ***Bill Shipton****. When the two had a head-to-head, anything could happen...*

BERNARD MANNING

Bernard Manning is 60, fat, arrogant, sweats too much and freely admits that he could well drop dead on stage. He is also hilarious. You can see for yourself in his first uncensored video *Ungagged Bernard Manning* (Channel 5 £9.99) filmed at his own club, the Embassy in Manchester. It's hard to imagine that this lard mountain was once the debonair singer with a big band in the 40s. We'll let Bernard reveal all in his own (four letter) words...

Manning: I started in 1949. I was a singer with the Oscar Raven dance band. We were the resident band at the Lyceum.

Club: A bit different from what you do now. When did you start being funny?

I was funny at school and I was always cracking jokes with the band. Then when I left in 1954 I got this job compering at a club in Manchester and I used to get a few gags in when I was introducing the acts.

Was it the rude stuff you're famous for?

I'm a very straightforward bloke, me. I call a spade a spade, and all this airy-fairy family entertainer stuff is bollocks. If a man drops a hammer on his foot at work, he doesn't say, "Oh my dear!", does he? He goes, "Fuckin' 'ell!" So I always told stories as they were meant to be told: from the word go it was in with both feet. Anything goes.

So you think family entertainers are all totally hypocritical?

Oh aye. You read about them in the papers. They're all Mr Clean and Mr Nice Guy, but when they're offstage they're running around with bras and panties on or smacking somebody's arse. It's ridiculous. Now me, I'm a family man. I was an altar boy, I sang in the choir. People are entitled to do what they like so long as it doesn't upset other people. If you don't like me, you don't have to watch me.

Which comics do you like the most?

I used to like Tommy Cooper. He was funny. He didn't have to resort to what I do but I'm a different kind of comic. Then there's a fella in America called Don Rickles who does a similar sort of act to mine. I met him when I was in Las Vegas doing a show for Granada television. I did very well over there, but my own club keeps me too busy to go back. I mean, I could do a massive tour of Australia tomorrow. The Australians love me.

So which comics do you dislike?

Ones like Ben Elton who go at it like a machine gun talking a load of nonsense. It's just not funny. It suits those students who just don't know any better. They want to come along and see Bernard Manning. I've been an alternative comic all my life 'cos I take no prisoners.

Especially if you're a latecomer or a heckler. I reckon it's a lot safer to watch your video than go to see you live...

It's nice if it's a mate of yours getting it though, isn't it? If they're late I say things like, "Was the ground cold this morning?" or "That bird's a lot better than the old bag you brought last week", that sort of thing. With hecklers it's, "I was the same after my first pint. You'll get used to it."

Has anyone ever thumped you at a live show?

No. They all take it in good part, the punters.

But you must get criticized for being racist and sexist. Does that bother you?

Not at all. In a hundred years time they'll still be laughing at my video. That sort of material's been in comedy since the year dot. I'm fat and I get more stick than anybody. There are more jokes about fat people than anything else and they don't bother me. So if I've got a coloured chap in the audience, he knows what I'm like before he comes in, and he has a good laugh. I don't suppose I'll ever get Trevor Huddlestone in, mind.

Are you as rude offstage?

No, I'm the perfect gentleman - until someone upsets me.

What upsets you?

If some lunatic driver on the road cuts in front of me. Or people who are half pissed when you're dead sober - it's all right if you're pissed as well though.

How do most women rate your act?

They love it! Women have to see the funny side of things. They have to bring the kids up. They don't lead a sheltered life.

I was talking some months back to comedienne Ellie Laine and she said women were really raucous when they all get out together.

If they're raucous with her, imagine what they're like when somebody really funny's on! She won't last. I'm still a star, me. Still pulling them in after 43 years. Comics come and go, but Bernard Manning lasts forever. Just when you think he's down and out, he turns up every night on television doing a mouthwash advert. And making fucking money out of it and all. The first ad cost them 50 grand. It's fucking fantastic - I'm the one whose laughing. And I've got posters going up all over the place. That'll cost them more money. That's the biggest fucking joke of the lot. *(He roars with wheezing laughter.)*

So you do it for the money?

No, I really love the job. I'd hate to fucking start at eight in the morning, go down that North Circular road and work me bollocks off all day. Oh dear me, no. I'll be like Tommy Cooper. I'll die on stage most probably. I think most people come and see me hoping it'll be tonight. They know I'm 60 now, and I can't go on for ever. That's why I draw such big crowds - they know that one night they'll be there when I drop dead.

Just as long you you don't get Jimmy Tarbuck to fill in, like they did when Tommy Cooper died.

What! Jimmy Tarbuck's died on stage more than anybody! I paid him £5 a night, that's all he got off me when he worked my club. The Beatles got fourteen quid - between them. Freddie and the Dreamers were there for £7 a week. You can print all this, it's no fucking lies. The motto of my club was" "Where you see the stars of tomorrow today." Mike Yarwood was a fiver in the early 60s. I paid Cannon and Ball off after one night. I told them, "It'll never go, all that 'Rock on Tommy' stuff. You've no future in this fucking business. They're crying out for fucking coal miners. Your best bet is to go down the pit. You'll earn more fucking money there." But they had the last laugh. Mind you, I was doing the clubs at ten quid a night every night before Johnny Hamp found me.

The producer of The Comedians?

That's right. He took me on. He said the act was a bit strong but he'd risk it. And I never missed one of those shows - so I must have some clean material.

You and Frank Carson are about the only ones still going from that series.

Frank who? He's gone now. Last time I saw him work he was modelling in a Zeppelin factory, or was it blowing them up?. Don't worry, he won't mind that. He phones every other day and laughs like fuck, he does. He's been through the mill like all of us. He's played pubs standing in sawdust, we all have. You can't have a young comic come on and tell people how hard his life's been. But look at my face - it's lived in. I do six shows a week. I don't work Sundays except in my own club. And I do charity shows as well. Then I go out on tour, theatres and the like. I do all of them.

Do you alter the act much depending on where you go?

Only slightly. If I'm working a labour club, which is very rare, I'll slag the Conservatives. If I'm working a Conservative club, I'll slag Labour. You don't make a rod for your own back unless you're daft.

Is there any joke you wouldn't do?

I don't do sick jokes. That's taboo. Nothing about death or disasters 'cos I've experienced that myself. My wife died three years ago, and it was the biggest tragedy of my life. But everything else is fair game.

So what's your favourite joke at the moment? What's the one that's really going down well?

This bloke dashes home and says, "Come on, love, pack your bags, I've won the pools." So she says, "What shall I pack? Something light? Something heavy? Where are we going?"

"Never mind," he says. "We'll sort that out later. Just get packed." So she comes down with all her cases. "Okay," she says, "now where are we going?"

Her old man looks at her. "I'm going nowhere. You - fuck off!"♣

APOLOGY

We've had to apologise for many heinous crimes in this column of the magazine, but this has to be one of the worst. The very worst. The confession was not forced out at gunpoint, nor did we even have to resort to splinters under the fingernails or Chinese water torture. The brazen hussy actually admitted it herself, while under the influence of more than a few Jack Daniels' at the *Duke Of Wellington.*

Our very own Dominant Dowse, doyenne of all London nightlife, patron of more young bands than *Melody Maker* (that means she'll shag anyone who's in one), guru of the guitar culture, the woman who ridiculed the Ed for weeks after discovering that he once saw Abba live, has finally come clean about her first ever gig. The Brighouse And Rastrick Brass Band.

Yes, at the tender age of eight, our domineering Assistant Ed was dragged "under protest" by her mother Mrs Dominant Snr to the local secondary modern school, where those towering figures of the light entertainment world performed two hours of the jolly brass pit tunes they're unjustly famous for, including that well loved hit of the mid 70s, *The Floral Dance*. It sounded, she says, like orchestrated farting.

She hasn't, however, gone down in our estimation. We, as always, have gone down for her.

bloke off, I confessed to Anne that I'd told her a small white lie earlier: I hadn't ordered a vibrator, I'd actually bought it for her, and I reached down into my cupboard and presented it to her then and there.

"What are you going to do with it?" she demanded eagerly. In reply, I switched it on. The buzzing noise filled the air. I ran it over her neck and arms, and I knew Anne was enjoying it because she moved position so that she was squatting over me, her full breasts dangling over me. I bent my head forward and licked one of her pink crested nipples, then placed the tip of the vibrator on it.

Anne was breathing hard, and so I became more adventurous with the appliance. I eased it down over her body, and she parted her legs as I bent down to lick her pussy lips. By now she was moaning in earnest.

I took hold of her hand and moved it down to her fanny. "Open yourself," I asked her gently. She placed a hand either side of her pussy lips and eased the soaking flaps apart. The vibrator still buzzing, I toyed with it around her inner thighs, eventually touching her cunt lips. By now Anne was gasping helplessly and moaning, "More, harder." So I moved my free hand to her fanny and pulled the skin upwards gently, exposing her little clitty before placing the tip of the vibrator directly on it and rubbing.

Shifting my position so that I was kneeling between her open legs, staring at her juiced up pussy, I reached up and played with her beautiful tits, at the same time slowly inserting the vibrator into her love hole.

"Oh, my God," Anne cried out. I leaned forward to kiss and suck her nipples, then looked back at Anne's wet pussy, with the vibrator sticking out of it. To my absolute surprise, Anne was rapidly stroking her clitty. Her eyes were closed, her head thrown back. I'd honestly never seen her so abandoned before.

I removed the throbbing vibrator and licked off her love juices, then put the tip of it back on to her clit. I remember gasping at its size, it was so enlarged. Then I quickly re-inserted the vibrator in her pussy, but before I could move Anne had grabbed it and began shoving it quickly in and out of herself. I could tell she was nearly coming.

I moved down the bed to enjoy the view of the vibrator moving in and out of her pussy, but instead I was met with the horniest sight I'd ever seen. Anne's hands were a moving blur, with the vibrator clasped firmly against her clit as she was flooded with ecstasy. By the

roxanne is new to all of us at Club - and she's new to this game as well. This is her first time in a photographic studio, and she's revelled in it. "I've always loved being the centre of attention," the raunchy 20-year-old told us after she'd finished her debut shoot. "I'm the sort of girl who goes to discos, has a few drinks, and then gets her top off and dances on

tables and all that kind of thing. Many's the time I've embarrassed my mates by being too over the top, but I just don't care - I love all the attention I get from blokes after one of my flashing sessions.

"I know I've got a good body and I'm not ashamed of it. But I'd never thought of doing any modelling until one month I was really skint and needed to pay my car insurance. So I did some nude still life modelling at the local art school, and it turned out that one of the lecturers there was also a keen photographer.

"Well, when he saw me he was even keener - and he suggested I do some photographic

work. I was signed by an agent straight away, and here I am in Club for the first time. I can't wait to see the guys' faces down at my local club in Bromley when they see what I've got at the bottom as well as at the top!" ♣

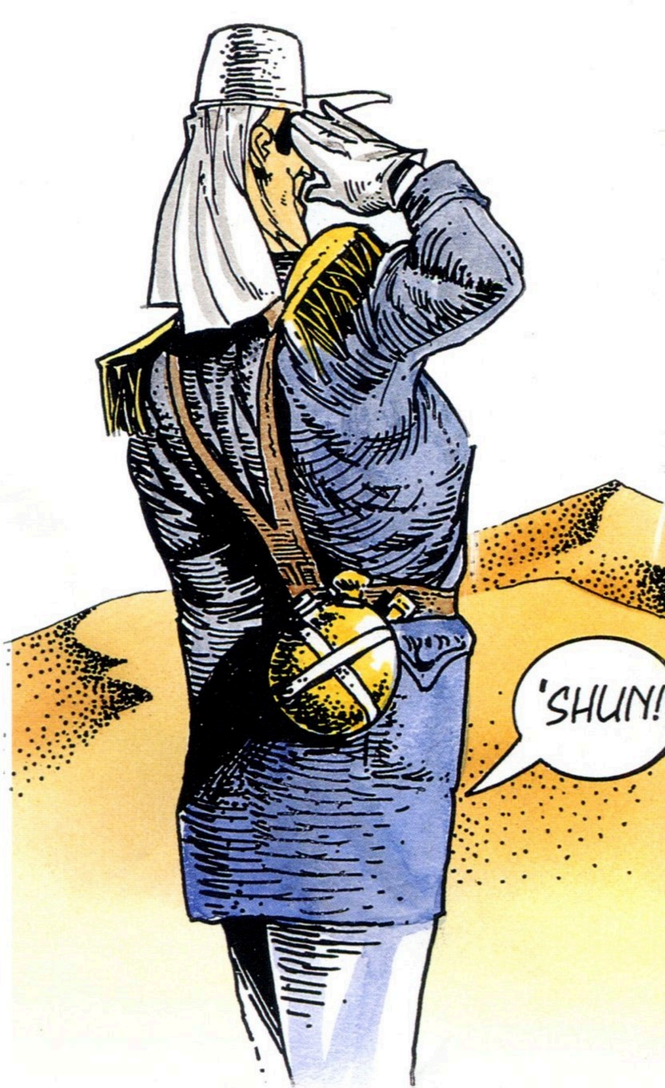
GRIPPING YARNS

TWAT OF THE LEGION

We bring you the first in a new series of Lad's Own bollocks, stories to stir your stumps and warm your cockles too. This month, the tale of a bygone hero, a man's man - Captain Tom Twat of the Foreign Legion.



In last month's exciting episode, we didn't meet Captain Tom Twat of the French Foreign Legion, and didn't see him lead his platoon out of Fort Phart into the burning waste of the Sarah Desert. His mission:to Capture Sheikh Envak, ruler of the Shah-tan-Kahli nomads.

The following day the ruthless Arab leader was surprised at the crack of dawn (and Dawn was pretty taken aback herself). In the two-fisted action that followed, the Legionnaires' carefully prepared plan worked like a dream - they all ran down a crowded street with no trousers on, fell off the edge of a cliff, then hurried to get to work on time but found their legs were stuck in some kind of treacle.

With Envak their prisoner they began the long march back to base. Later that day Twat spotted dust on the horizon. It was a band of Shah-tan-Kahlies led by the Dazzor Tamatik, the Vizir of Sudds. The dastardly Bedouin was tracking the Legionnaires, waiting for the moment to strike. Proof positive that you can't always have your Sheikh and beat it. Now read on...

Captain Tom Twat cast his eye about the camp. "Are the men comfortable, Sergeant Schmuck?" he demanded of his trusty right-hand man.

"They make a living," Schmuck replied.

Twat frowned. "Schmuck," he snapped, "this is no time to look for cheap laughs. You're in the Legion now, not a Telecom commercial."

Twat gazed out across the desert. It reminded him of Anneka Rice; it was vast, it was golden, it went on endlessly; and he was fucking sick of the sight of it.

"Mon Capitain! Mon Capitain!" The shout came from a bivouac on the eastern edge of the Legion camp. Twat and Schmuck rushed to see what had provoked the anguished cry.

Corporal "Beau" Windeau was waiting to greet them. Once again Twat found his eyes drawn to the diminutive NCO's well-developed chest, trim thighs and pert buttocks. He shook his head. He had to get a grip on himself. But not now. Not in front of the men. Later perhaps, in the dark, behind a sand dune.

"Put us in the picture, Windeau," he grunted.

Windeau's full, red lips parted to reveal even, white teeth. "It is Legionnaire Ticlaire, Mon Capitain," he panted arrestingly.

Twat followed Windeau's gaze. Legionnaire "Frenchie" Ticlaire was standing to attention clutching a clipboard. "You're not on my list," he babbled. "You can't leave that here. I can't leave this desk. Sign here. If you're not on this list you can't enter the building."

"What's wrong with him, Mon Capitain?" Windeau asked huskily.

Twat took a deep breath. "Commissionnaire's Disease," he whispered. "It looks like he's gone mad. The Legion's no place for a nuts Ticlaire." He pulled his revolver from its holster.

"'Ere," Ticlaire bellowed, "are you authorised to point that thing?" But before he could continue with his bureaucratic burble, Twat drilled him with a well aimed bullet. Ticlaire fell to the ground, dead.

"If you're clean crackers, then it's hard cheese round here," Legionnaire Tarbie quipped. Everybody ignored him, as usual.

"Mon Capitain," Windeau breathed, "you are so thoughtful. Always you take care of your men and their interests."

"Interest?" Sergeant Schmuck muttered. "Don't talk to me about interest. A legionnaire? A millionaire I coulda been..."

Meanwhile...

Dazzor Tamatik, the Vizir of Sudds, stood at the entrance to his tent and gazed out past the flaps towards the fires that marked the positions of Twat's platoon. A sneer played about his mouth. "Feringhee swine!" he snarled. "Soon you will be in my grasp. Then you will truly know what it means to be caught by the Shah-tan-Kahlies." He spat a particularly unpleasant type of foreign spit, and ground it into the desert sand with his

swarthy heel. "Especially the one they call Captain Twat. For him I have prepared a special fate!"

"Ooh yippee! Mr Butch is organizing a fete," the Vizir's chief eunuch Mustapha Limp squealed as he emerged with a friend from behind a camel. "Get the jampots on, Ali!"

"Desist," Tamatik barked angrily, "oh noseless bastard offspring of a syphillitic gutterbred sow and a whoremongering baboon with athlete's foot!"

"Well excuse *me!*" Mustapha flounced. "I thought this was supposed to be the Arab camp."

"Don't mind him, dear," his friend Ali Palli giggled. "He's always been in tents and moody."

With a shriek of laughter the two eunuchs disappeared into the darkness, leaving Dazzor Tamatik plotting a hideous revenge.

Later...

Captain Twat sat brooding by the fading embers of the fire. He frowned and took a swig from a bottle of arak. His mind wandered back in time. Back past his last leave in Madonna-Sur-Lit, past the court-martial that lead to him being cashiered from the Duke of Caerphilly's Own 15th Mounted Goats, all the way back to his childhood in London's East End.

The Isle of Dogs. Mean Streets where tough men feared to tread. Twat had been raised in abject poverty. His father was something in the city; a traffic cone. His mother died in a mental asylum. Twat's parents had been poor. Damned poor. One Xmas they'd given him an empty box and told him it was an Action Man deserter. Twat took another pull on the bottle of arak.

"Why do you drink, Mon Capitain?" It was the husky voice of Corporal Windeau beside him.

"I drink to forget," Twat murmured thoughtfully.

"I thought you joined the Legion to forget?"

"Did I? Shit! I don't remember. You see, Corporal, all my life I've felt chained. All I've ever dreamed of is being free."

Windeau shook his blonde locks and smiled. "Free Twat can be more than just a dream."

Their eyes met. Twat felt something stir deep with in the core of his being. He made a note to put less garlic in his couscous in future.

"Oh, Mon Capitain," Windeau groaned. "I can keep my secret from you no longer." Swiftly he undid the buttons of his tunic and wrenched it asunder. Twat found himself gazing at two perfectly formed, rose-tipped, scoops of warm, creamy flesh.

"That's one hell of a front, Windeau," he cried.

"Call me Sasha," Windeau panted as, stepping quickly out of her uniform, she revealed the full splendour of her naked frame. "Now fuck me, Mon Capitain. Fuck me senselesss!"

Twat let his eyes roll slowly down Windeau's silky curves. "I'd prefer it if you kept the boots on, soldier," he snapped.

Elsewhere in the camp...

Sergeant Schmuck and Legionnaire Rogets were on look out detail. "You know," Schmuck pondered, "sentry duty is a lot like cunnilingus. It's dark and it's lonely, but somebody has to do it. Mind you, sentry duty doesn't make your jaw ache quite so much." He was wrested from his thoughts by a groaning cry. "What's that?" he asked.

Legionnaire Rogets scratched his chin, "Sounds like a cry. Exclamation. Ejaculation. Clamour. Chant. Yodel..."

Looking to his right Schmuck saw, between the dunes, Captain Twat and Corporal Windeau writhing naked together in the sand. "I hope Twat knows what he's doing," he muttered, "Sasha Windeau never slides up and down freely."

Another shriek rent the darkness. This time it was not a cry of ecstasy but one of fear and pain. It came from the camp's rear sentry, Legionnaire Staines, and it sounded like he'd been grabbed by the nomads!

Later, in the Arab camp...

"Legionnaire Chisholm Staines. Cereal number: three shredded wheat. That's all you'll get from me," Staines grunted defiantly, as the fiendish Bedouins tortured him by explaining the advantages of unit trusts.

"He will not crack, the feringhee dog," one of the tuaregs snarled. "Let's see how he likes the 'personal pension plan tailored to meet your needs' treatment."

Before the altogether un-nice sons-of-the-desert could put their terrible plan into action, the Vizir of Sudds strode into the tent. "Has the prisoner talked?" he barked.

"No, effendi," the Shah-tan-Kahlies grovelled, "he refuses."

"Out of my way, dogs," the Vizir howled, "and let me show you how Dazzor Tamatik deals with stubborn Staines."

The desert nomads were so shocked by the pisspoor standard of this last joke that they shot their Vizir to death with their weapons, then all buggered off home. ♣

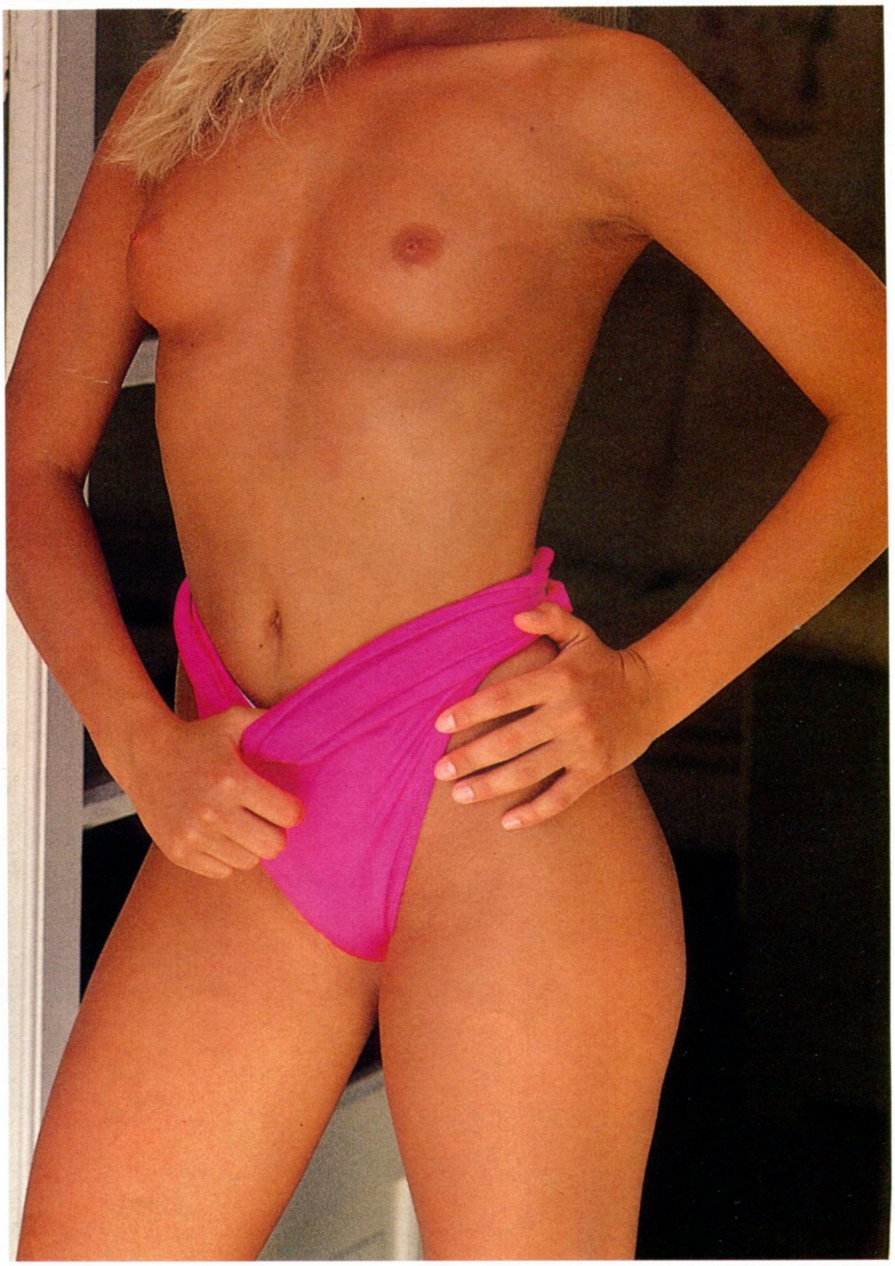
Where the girls get down to business



LIFE SAVER

I never thought I'd be writing to Club about my sex life, but I've got to share this with someone. Normally, I'm pretty reticent about these things, but what happened to me recently has made me a new person.

I've always been a bit prudish about sex and bodies, to be honest, but when I started my new job as a lifeguard at the local swimming pool a couple of months ago, I had to forget all that and grin and bear it. The problem was not so much that I had to sit around for hours wearing just my swimming costume and very little else. I've got a good body, though I do get a bit embarrassed if anyone pays it too much attention. The problem was the state of undress of everyone else.

At first, the sight of all those near naked bodies made me wince, but gradually I got used to it, and even began to enjoy seeing the men and women who came regularly to the baths. Once they'd got into the pool, there was nothing to look at anyway, and soon I began to overcome my prudishness.

So you can imagine my surprise when one of the swimming instructors, Julie, began to catch my attention. She's a swimming teacher who used to go around a lot of the pools in the local area teaching swimming to adults, and she specialized in doing the women only sessions.

I didn't really notice her except as a fellow colleague for the first couple of weeks, but then, to my astonishment, she began to catch my eye. She's an attractive redhead in her early thirties, with long legs and big boobs, and I first really looked at her when she came in one day with a costume on with the highest cut legs I'd ever seen.

They were cut almost right up to her waist, and so showed off to perfection her trim thighs and the smooth skin around her pussy mound. I found myself looking at her more and more. I just put it down to envy of her figure and good looks at first.

One day, we were both on the last shift, and it was my responsibility to lock up after all the public had left. Julie and I were the last to leave, because we had to make sure that everything was locked up and switched off inside the pool. Julie was finishing off her jobs when I went into the changing rooms to have a

wash and shower.

I'd stripped off and was standing under the spray, my eyes closed as I enjoyed the warm water rushing over me and the feeling of my fingers working the soap into my skin, when I heard a movement next to me. I opened my eyes to see Julie standing under the spray as close to me as possible, totally naked and soaping her generous boobs sensuously as she stared right at me.

Don't ask me how it happened, but the next thing I knew Julie and I were kissing passionately under the shower spray, our pussy mounds pressed together as close as we could get. I could feel Julie's big boobs being squashed against mine and her nipples digging into the soft flesh of my tits.

Finally we surfaced, but not for long. Julie looked at me long and hard, as if asking my permission to go further, and then moved her hand down from its position on my hip to rest against my cunt.

I could hardly breathe with the excitement of it. As I leaned my head back and closed my eyes, I felt Julie's middle finger ease its way along my sticky slit to tickle my clitty. It felt as if I was on fire. Just one touch and I could feel my juices start to flow and I parted my legs so that she could get her fingers inside me.

All this time we'd never said a word to each other, just stood there in the shower, not even thinking that anyone might come in and see us at any moment. I just assumed that everyone had left the building already. Now Julie had two fingers right inside me and was pumping my cunt up and down, and moving them from side to side, giving me the most incredible finger fuck. I heard soft sexual moans and I realized it was me.

My legs were weak and trembling and my eyes were still closed as I felt Julie move down my legs, until her face was resting against my cunt. I'd never felt so hot down there, and I was almost blushing at how I was just standing there letting Julie do all this to me. Soon her tongue touched my clitoris, and that was it for me. I had several orgasms, one after the other, each one stronger and longer than the last.

I looked down between my boobs then, filled with an insatiable curiosity to see what it looked like to be licked out by another woman. It was a hugely erotic sight to see Julie's face buried deep into my cunt, her tongue going nineteen to the dozen as she frigged herself with one hand and me with the other. That sight made me come again, and by the way Julie was trembling as she licked me, I knew she must be coming too.

We've been having a lesbian relationship ever since. I'm so grateful to Julie for releasing the sexual animal from the prude! - *Barbara, Yorks*

EAST WEST, HOME'S BEST

This might sound a bit boring, I'm not sure, but I had to write and tell you about how my husband and I improved our sex life no end. Things had been going downhill for some time; my husband runs his own business and works really hard. A lot of the time recently he's been too tired for sex! I'd kind of lost interest too, and I didn't think that things were going to improve much.

However, one night I'd gone out with some friends from work, and unexpectedly got a lift home so I arrived back early. My hubby wasn't down in the lounge in front of the TV as I'd expected, so thinking he'd gone to have a bath or something I made my way up to our bedroom.

When I got to the top of the stairs, I saw our bedroom door was open and a sight I'll never forget greeted my eyes.

My husband was lying on our bed, naked, sporting a huge erection. Before I'd even had a chance to get turned on by this sight, that I'd seen all too rarely of late, I was shocked to register the fact that he was holding a pair of my silk panties over his nose in one hand, and turning the pages of a girlie mag with the other.

To say that I wasn't shocked would be lying, because I'd never seen my husband even look at a girlie mag, let alone thought he'd be interested in my knickers, but I was also horny as hell. I felt a wet rush in my knickers immediately; I couldn't remember being this turned on in ages.

My husband clearly had no idea I was even in the house as he continued to look through the magazine, stopping every so often at a particular girl who took his fancy, gripping my knickers, wanking his cock all the while. I knew it wouldn't be long before he shot his load, and the next moment I saw the end of his cock twitch and he shot several wads of spunk on to the duvet.

It was at that point that I made my entrance, and the look on my husband's face was priceless. He thought I'd be livid, but when I silently stripped off my clothes, including a pair of very wet knickers, and pinned him to the bed before giving him the best fucking he'd had in years, he knew I was feeling exactly the opposite!

Now, our sex life has improved a hundred fold. Reading Club (for that was what he'd been wanking over) is an integral part of our love life, and he loves to hear me describe what I think of the girls and what I'd like them to do to me. And now he buys me new silk knickers every week - guess what he does with them! - *Cath, Bolton*

Hello My Friends

Yes, that's right, I am Guilty on all seven counts of giving **value for money** to my customers. Now I have moved into the UK from Denmark and have brought huge stocks of explicit sex videos with me. Don't confuse these explicit hard-sex action videos with the usual British rip-off rubbish. Let me assure you that these videos contain only genuine explicit hard-sex action which can no way be mistaken for your English videos. Because of old fashioned Britain's Censorship Laws and my explicit titles, I prefer you to order each video by its code number. I am sure you will be happier with full action content rather than an impressive title! So my friends (and we will remain friends when you see my quality and explicit action films) just make your choice and buy with confidence. Holiday Blues

Something Borrowed, Something Blue

I don't know how you manage to come up with so many horny stories and pictures in the *Talking Blue* section every month. There must be some really randy women out there! I thought, as I'm one of them, that I'd add my own story to the list.

Most of the stories seem to be set in exotic locations, and I know from my own experience that I always feel really rampant when I'm away on holiday - away from the pressures of work, away from my parents and my boyfriend and anyone who knows me. Also, I'm able to walk around baring my body to anyone and everyone - that's always guaranteed to make me juice up.

However, I've always been very careful with any casual encounters; after all, you never know where anyone's been these days, or who you might meet. So most of the time if I find myself getting a bit worked up feeling the sun shining hot on my pussy and boobs, I make my way back to my hotel room and treat myself to a long, slow, luxurious wank, usually frigging myself hard with the shower spray as I push two fingers up into my pussy.

But this year was different. I'd been promoted in my job and my salary had really rocketed up, so I was able to afford a far more luxurious holiday than usual. I treated myself to a fortnight in the Seychelles.

On the plane over there I could hardly contain my excitement. Once we landed at the islands' main airport, some of us who were staying at a hotel on one of the smaller islands had to transfer to a light plane to take us on the final bit of our journey. I guessed we'd all be staying at the hotel, so I looked around at my fellow passengers. They mostly seemed to be couples and the majority were middle aged, but there was one couple who looked about 30 and were obviously lively. The guy was wearing one of the tightest pairs of jeans that I'd ever seen, showing off a great little bum, while the woman was already suntanned and looked pretty glamorous in her mini-skirt and very tight, very low cut top. They were laughing and drinking on the plane, and were clearly intent on having a ball for the next fortnight.

Arriving at the hotel, the next time I saw the couple was at dinner. They sat at a table fairly near mine, and I soon started a conversation with them. They were from London and the reason that they were there on holiday was that at the end of the first week, they were getting married!

It came out that they were on one of those special holidays where the tour company organize all the wedding arrangements like providing a dress and morning suit, arranging for a minister and all the wedding documents and so on. All they had to do was turn up at the appointed spot in the hotel gardens on the day. The rest of the holiday was to be their honeymoon.

Dave and Linda were a great couple, really friendly and good fun. Over the next couple of days we went about together, sightseeing on the island during the day, and trying out the various bars and discos at night. Several nights we were all so drunk that we practically fell back into the hotel.

One morning, after a particularly heavy night on the town, I stumbled down to breakfast to find Dave on his own at their table. It seemed that Linda had such a hangover that she hadn't been able to get up that morning. Dave said that she'd sent me a message saying that I should keep him company for the morning, as she didn't think she'd be fit for anything before that evening.

So Dave and I spent the

morning by the hotel pool swimming and sunbathing, and talking about their plans for the wedding. He sounded very excited about it, and so I asked him what he was planning for his stag night.

"Well, I had one with all my mates before I came away," he said, "but what I'd really like to do is to fix something up for Linda. Something she's always wanted to do."

"Got anything in mind?" I asked him, smiling faintly at the way he was eyeing up my bare legs and boobs as I lay on the sun lounger next to him. "Has she got any dark and secret desires?"

Dave smiled. "If I told you, you'd never believe me," he grinned.

"Try me."

"Well," he began, "she's always wanted to watch me making love with another woman. When we're in bed she fantasizes about it all the time." He paused, then added jokingly, "I don't suppose you'd be willing to help me make it come true?"

The way he was looking at me, I knew he was telling the truth, and I knew he wasn't joking either. He really wanted me to help him bring Linda's fantasy to life.

In a split second I knew I was going to help him.

From that minute until we met Linda for lunch, Dave and I had the whole escapade planned down to the last detail. Dave said that, on the afternoon a couple of days before the wedding, Linda had to go for a wedding dress fitting in the nearby town with the tour rep. She wouldn't be back until the middle of the evening, so she'd come straight up to the room. Dave was planning to tell her that he'd ordered room service to bring their dinner to them so that they could be alone together.

And that was where I came into action.

Over the next couple of days I was bubbling with excitement. So that I wouldn't be tempted to give the secret away to Linda, Dave made sure that we didn't see that much of each other. I spent the next couple of days lazing by the pool while he took her on outings. My pussy had never been so hot and bothered, and I kept having to strip off my yellow swimming costume and dive into the pool to cool off from the hot thoughts I was having.

Finally the day arrived, and Linda went off to town, leaving me with Dave. When it came to six o'clock he came to my room to select what I should wear when I came to their room later. From my suitcase he chose a tight fitting, black lycra mini-dress, with high heeled red stilettos and just a tiny red G-string underneath. He then went back to his own room to get ready. I'd noticed when he was looking through my underwear that he was getting very excited; I could see his cock, semi hard, sticking out of his jeans, and the way his hands were shaking, it seemed he could hardly contain his lust.

He'd arranged that he'd give me a buzz, under the pretext of ringing room service, when he was ready, and I was so excited waiting for his call that I had to put a finger on my pussy to frig my little clitty, which was so hard with lust that I came almost as soon as I touched it. It was only a matter of time before I'd slipped a couple of fingers into my soaking pussy and was wanking myself for all I was worth, panting as I arched up on the bed in ecstasy.

I was just recovering from that when Dave's call came through. "I hope you're ready and waiting to go," he said. "Linda's back and she's in a very horny mood!"

"Matter of fact, so am I," I replied. "My pussy just couldn't wait, so I've just had to have a little frig."

Dave chuckled and told me to get dressed and be round in five minutes, as Linda was in the shower and would be out by then. Five minutes later I was knocking at the door yelling, "Room service."

Linda opened the door and stared in surprise when she saw me there. "I don't think you're room service," she laughed.

"No," I grinned back at her. "I'm here for *quite* a different kind of service!"

Linda looked at Dave in surprise, then the truth obviously dawned on her as she saw the expression on his face. She twigged what he'd done straight away, because she ushered me into the room and locked the door.

"I know what you two are up to," she grinned, "so let's get on with it then!"

Dave didn't waste any time getting me to lie provocatively on the bed, my legs open as far as the tight mini-dress would allow, while he stripped off his shorts and T-shirt. Linda stood at the end of the bed, watching.

"It's your treat, babe," he said to her, "so you tell me what you want us to do and we'll do it."

Linda was almost speechless with excitement, her hand inside her bathrobe. She was clearly stroking her clitty and slit as she stood there. "Undress her first," she whispered.

Dave deftly undressed me, pulling the dress off slowly so that Linda could see his hands stroking my boobs and caressing my thighs as he did so. He was careful not to touch my pussy until he pulled off my G-string, and by the time he'd worked his hands and lips all the way up my legs, leaving my stilettos on, my pussy was practically foaming.

Linda was still giving the orders. "Eat her cunt," she told Dave. "I want to see you eat her cunt."

Immediately Dave pressed his mouth firmly to my muff and I felt his tongue slide all the way down my slit. I was so juicy I could feel every lick and stroke of it, and when he applied the tip to my clitty I came violently, really arching myself off the bed and panting loudly. The sight of my climax had got Linda really worked up as well, and her hand moved on her cunt faster and faster as she brought herself off.

Dave had thrown off his bathrobe by now and was as stiff as a poker, his cock bobbing free of his body and rubbing against my stomach as he carried on licking me out. Linda's face was a picture; she knew he was going to fuck me hard any minute now.

We just had to wait for the order, and it soon came. "Fuck her, Dave," Linda almost yelled. "Fuck her pussy!" Right on cue Dave thrust his cock up me to the hilt. It wasn't massive but it was pretty thick, and I could feel my juices lubing every lovely stroke as he started to fuck me slowly, then moved faster and faster while he built up a rhythm. Linda was still frigging herself, crouching on the end of the bed now as Dave moved in between my wide spread legs. I felt her move my legs on to her boyfriend's shoulders so that my cunt was as wide open as possible, and then I felt one of her fingers join his cock inside my cunt.

That was it for me. I reached down and frigged my own clitty as Dave fucked me, my toes curling inside my stilettos as Linda's finger inside me too sent me right over the edge. I lost count of the amount of times I came, but the pleasure was so great I think I almost blacked out. When I came to, Linda was still frigging herself and sucking one of the heels of my stilettos, while Dave had shot a huge load of come inside me and was collapsed on my chest.

That was quite a night, and I thought things had finished there - but I was wrong!

The following day, the day before the wedding, Dave had gone off to sort out the last minute arrangements with the rep. Linda was getting a few pre-wedding nerves, and so she elected to stay with me at the hotel, just to calm herself down and relax by the pool. There was no-one about, as most people had gone off on a sightseeing trip, so we took over the pool area, drinking cocktails and lazing about on lilos. Dave was due back by seven, but before that Linda came up with a plan to give him a treat to match what he'd given her.

Yes, you guessed it - Dave's long standing fantasy had always been to see Linda making love to another woman. I don't know why it hadn't occurred to me before. Linda said, "I know you're not lesbian, Gayle, but it'd be so great for Dave. Would you do it with me?" I don't know whether it was the Pina Coladas or what, but I soon agreed, and we spent the rest of the afternoon hatching our sexy plot.

Dave wasn't due back until the middle of dinner, so we planned that we'd stage our little show by the pool, because it would be deserted around that time. Besides, I

think the possibility of being caught was an added bonus for Linda. She'd already admitted to me that she liked the idea of being caught fucking by strangers.

She went up to their room and left a note for Dave saying that she'd wait for him by the pool. We knew we'd be able to watch for his hire car arriving back in the car park, and had calculated how long it would take him to go to their room, read the note and get back to the pool.

Sure enough, Dave arrived back around 7.30, and after waiting a couple of minutes, we put our plan into action.

Linda stood up in the shallow end of the pool and pulled me close to her. I felt a real tingle between my legs as her wet boobs and thighs pressed against mine, and she kissed me hard. I think we were both surprised at how much of a turn-on it was kissing another woman, because the next minute we were getting really hot and heavy, Linda's hands moving over my back as she moved her mouth down to kiss my neck. I ran my hands down her front, fondling her firm boobs and feeling her nipples grow and harden under my fingertips.

When she put a hand down between my legs and worked her fingers up under the crotch of my swimming costume, it was a real shock to me to feel how randy I felt. I'd never thought about being attracted to women before, but here I was on the verge of coming just because Linda was working her fingers along my slit, which wasn't wet just from the water.

We both had our eyes closed, and were petting pretty heavily when I heard footsteps and Dave's loud laugh sounded close by. "I ought to've known you'd have something like this in mind, Linda," he said, settling down in a sun lounger to watch our show.

Linda grinned back at him. "Fair's fair," she replied. "I didn't want you to miss out

on any fun." With that she climbed out of the pool and hauled me out. She lay down on one of the lilos close by where Dave was sitting and pulled me down on top of her. "You give the orders, Dave," she smiled.

I was only too happy to comply when I heard Dave's request. "You ought to know what I'm going to say, Linda," he told her. "Do a 69 for me."

Quickly checking to see if anyone was around, Linda stripped off her swimming costume and my own, and I felt her naked body against mine for the first time. The feeling of her muff, with its dark, tight curls, rubbing against my own semi-shaved pussy was wonderful. I was dying to have a good frig, but I knew that would spoil things for Dave.

Linda took charge, manouevering herself into a crouching position above me, her lovely smooth bum sticking right into my face. I licked and kissed her arse cheeks, smelling her female love cream as it seeped from her crack, while at the same time my own cunt was dripping with juices as Linda started to probe me with her fingers.

"Eat her," Dave said from next to us. "Suck each other's cunts." Linda made the first move, gently applying the tip of her tongue to my cunt before plunging it right inside me, all the while working her fingers on my engorged clitty. I followed suit, pushing my tongue into another woman's pussy for the first time.

I was surprised at how good Linda tasted, and how much licking her out inflamed me completely. Within seconds I was tonguing her as if my life depended on it, feeling her squirm as my tongue reached in where no other woman had. At the same time, I could barely control the contractions of my cunt as Linda ate me out, my clit on fire as I worked up to my climax.

Linda had said before Dave arrived that she wanted us to climax together to maximize Dave's pleasure, so I held on until I could feel that Linda couldn't wait any longer, before we both unleashed a series of loud, howling climaxes that left us both panting and trembling. Dave had clearly enjoyed the show, because as we lay there recovering he wanked his cock until he shot his load over the both of us. As a finale, we licked each other's body clean in front of him.

That night, as it was the one before the wedding, Dave insisted that Linda sleep in with me that night - he said he wanted to keep to tradition! I wonder whether he knows that Linda and I spent that whole night bringing each other off in every way possible. There certainly was something blue in the air when I was the bridesmaid at their wedding the next day! - *Gayle, West Midlands*

Couples Confess

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.

I can't wait any longer. I wouldn't normally write to you but I feel I should share my latest experience with you. I am writing with a shaky hand because I am at work and outside my office people are going about their business unaware that the senior secretary has such an ache in her panties that she feels she will soon burst.

Because I work for a large company I cannot reveal my name but those who took part in this event are sure to remember. I am 24 years old and have what my boyfriend calls a superb figure, particularly my long legs and fuckable bum. Because of my position I always have to dress in suits so I can give a good impression to all the people I meet from other companies. My favourite suits are always black and are always cut to hug my figure. I tend also to chose skirts with either button up sides (or front), or if available a skirt with a wrapover. These I will always adjust myself, so that the wrap hardly meets, giving me plenty of chance to expose my legs to an important client. Because of the nature of my employer's business I meet many men, mostly from the middle to older age group; often there will be as many as four, and often I am required to take them to lunch.

I have always had a thing for a well dressed man and I have often fantasized with my boyfriend that one day I would fuck with one of them in my office. My boyfriend had been on at me for ages to let him watch me being fucked by my boss because he, although 58, has had me several times in his office and every time he has requested that he be able to spunk over the lace on the front of my panties and also over my stocking tops.

The real reason for writing is to tell you about what happened yesterday. My boss had arranged to see two clients for the day but because he had double booked an appointment, he asked if I could keep the gentlemen in the restaurant for a long lunch, then meet my boss at home with the clients in the evening. This I assured him I would do and set about booking a table.

That evening I explained to my boyfriend that I would be busy the next day and as it was his day off I thought he would be furious. Instead he suggested that after the meal I should bring the two men back to our flat. He would make sure he was out for the day so there would be no problem. That night he fucked me with even more energy than usual and kept saying that it would be fun to let the two men fuck me if they showed willing. We lay awake for hours planning our swap-and-watch session and finally came to an agreement.

The following morning I bathed and then my boyfriend dressed me in his favourite outfit; black seamed stockings with very high patent stilettos, black lace panties that were at least a size too small, a black lace bra, and a starched white high collar shirt. This was topped by a black jacket with skirt to match. This skirt was a wrapover but, as I mentioned earlier, only just met down the side and was fastened by a row of tiny velcro pads so I could easily undo them. As I dressed my

boyfriend watched, and it was quite obvious from the reaction I had on him that it would work with my clients.

As I left for work my insides were all knotted up and my pussy was tingling in anticipation. When the clients arrived at the office I calmly made my way down to meet them. All calm was lost the moment I walked through the reception doors and was greeted by, not two, but four pairs of eyes!

I took a deep breath and introduced myself. Three of the gentlemen were at least 55 but the fourth was no more than 25. It turned out that the young lad was a trainee and the other man was the area manager, and they had all decided to come down together. I suggested we went to lunch immediately and they offered to drive because one of them would have to drive home later anyway. I accepted their offer and a few minutes later found myself seated between two very distinguished businessmen in the back of a large BMW.

As I had got into the car a hand had cleverly found its way under my bum, and as I gave a little wiggle it appeared to want to stay there, but as I was now sitting on it I knew it wouldn't stay there for long. As we only had a short journey I made as if to adjust my skirt, and in doing so unfastened a few pads, which was just enough for my groper to get a decent view of my stocking clad thigh. He then removed his hand from under me and casually put his hand on my leg inside my skirt. As we pulled into the restaurant car park he removed his hand completely but was rewarded with a flash of my silk clad cunt as I got out of the car.

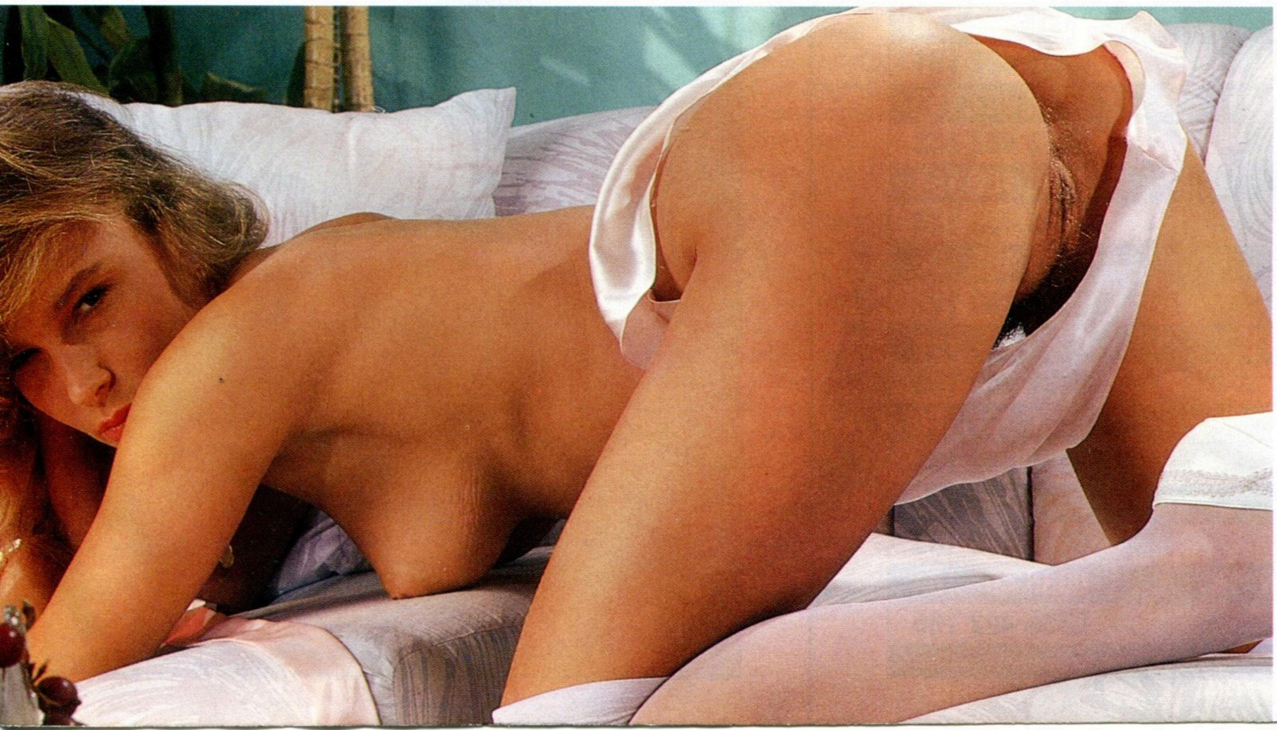
The lunch went smoothly, and after many brandies with our coffee I suggested that we went back to my flat to freshen up before going to meet my boss. They all hastily agreed, and before we left I went to powder my nose. When I left the table I could feel all their eyes on me and I could guess what they were thinking. Before leaving the ladies' I made sure my skirt was undone almost to the waist so it would become quite clear I was wearing stockings.

When I re-entered the room you could have heard a pin drop. The rush to escort me to the car was almost a stampede. The poor young lad was made to drive but at least he had the advantage of a mirror. In the car the two rear passengers were dying to get their hands on me, but it wasn't till I shut my eyes and feigned sleep that they got the nerve to touch me. One lifted my skirt and I heard him gasp as he feasted his eyes on the tiny piece of silk that covered my by now soaking cunt. His head fell on to my lap as he began teasing my cunt lips through that piece of soaking black silk.

Meanwhile, the other rear passenger had exposed my tits and was kissing my rock hard nipples. I knew I was in for a good shagging, and as we pulled up the two gents rearranged my clothing as if nothing had happened.

When we entered the flat I walked straight into the bedroom and fell back on the bed, this time exposing my stocking tops and panties to all four men. There was no hesitation from the two gents who had already been touching me. The eldest fell to his knees and buried his face in my cunt while the other released what I can only describe as a monster cock. This he offered to my mouth, and as he entered it he shot a stream of hot thick spunk into the back of my throat. I kept sucking him until he was dry and as soon as he withdrew he was replaced by the youngest guy.

The man sucking my cunt had now exposed his cock and was wiping his juices all over my skirt and stocking



tops, leaving a trail behind. I took his cock in my hand and eased him between my burning lips, pulling aside my soaked panties. He drove into me and I had to release the cock from my mouth so I could scream with pleasure.

When I opened my eyes I noticed that the fourth man, who had not yet touched me, had opened the drawer containing my underwear. He had taken out a pair of black silk panties and was wanking himself furiously into them as he watched us on the bed.

That afternoon I was fucked and sucked and licked in every possible position for at least two hours. But the grand finale was when all four men (remember, they had not taken one piece of clothing off me yet, not even my shoes), laid me out flat on my back and twisted my skirt so that the side split was now up the front. I held my legs apart as far as they would go so that my soaking panties went right up my cunt. Then, while I was still holding my legs open, they all stood and wanked over me.

I couldn't hold back any longer. This was ecstasy. I played with myself frantically, and all of a sudden three of the men shot their loads at once. It was like a beautiful waterfall of spunk that flew all over my stockings, thighs, panties and perhaps best of all, my skirt. As I love to see the effect of hot, white spunk all over a black skirt this made me come, and the young guy, who had now moved towards my face, shot his hot wad directly at my face and my hair.

With this the four men left the room and I heard them leave, saying as they went that they would give my apologies to my boss and meet him alone. They also said they would be back in two months' time, but this time they would book a hotel and stay the night. I was beside myself with lust, and I can't wait to see if they do.

Hearing the door close I heard another open. This time it was my boyfriend, who told me he had watched the whole thing through a crack in the curtains. He fucked me from behind and at the last minute pulled out and added to the other loads by shooting his hot sperm all up my bum cheeks and the back of my jacket. - *D, West Sussex* ♣

jenny

Photographs by Barry Vincent

If you're looking for a girl who's good with her hands, then meet Jenny.

Now before you go "Fwwaa!" and start making rude gestures, let us point out that the 20-year-old is a qualified chiropractor, more likely to put a knee in your back than her hands down your trousers. But her heavy-handed therapy still makes men go weak at the knees.

"When you re-arrange a guy's

spine," she smiles sweetly, "he can't walk for a few hours. But the next day, he feels tremendous. A bit like sex, really!"

As well as manipulating your coccix, Jenny is an expert at acupuncture. "Did you know that there's a part of your foot that controls each bit of your body? I can give a guy a hard-on just by changing his socks! And if a guy sucks my toes, he may never know just what it's doing for me..."

Who needs a massage parlour when you can get Jenny on the NHS? ♣

EMMA

Photographs by Geoff Howes

A fine chest with easily removable drawers, that's how friends might describe 22-year-old Emma Baxter. For the sumptuous lady from Leicester has a passion for antiques.

"The other day I got hold of a lovely tall boy with shapely legs and a false

bottom," Emma grins. "And the owner wasn't bad looking either!" Is Emma's passion is really for the dealers?

"Well, if you're buying an Edwardian four poster, you've got to give it a trial run, haven't you?" she laughs. Emma was just off to help two lads restore a brass bedstead. "I'm going to rub up their knobs for them!" The Antiques Bed Show *is appearing at a town near you.*♣

FLOWER
POWER!

Marika might have an exotic name, but she's a genuine English Rose through and through. The Ed certainly came over all flowery when he saw her, calling her "goddess, nymph, perfect, divine" before we gagged his drooling. But she *is* a perfect petal though, we think you'll agree - and she'll be looking blooming gorgeous in next month's issue. Betcha want to catch a bit of hay fever now! ♣

time she'd finished coming my sheets were soaked.

Immediately she removed the vibrator, and as she did I rose up between her legs and eased the tip of my cock between her pouting love lips. Her orgasm began immediately I started fucking her, followed by my own just a few seconds later.

I had the best orgasm of my life, thanks to the present I'd given Anne - and believe me, we've made very good use of it since! We can't believe the difference that one night has made to our love life, and now Anne almost begs me to buy her a new toy every month; naturally I never refuse. - *"Name And Address Withheld By Request"*

You're Nicked!

You really put the boot in in Vol 19 No 6. I've almost broken my cock with wanking over that young Nicola. It was her boots and ankle socks and knickers that did it. The combination is lethal! And what a horny shot that was of her rear end as she gazes out of the window.

Please, I beg you to show more pictures of girls in boots, and also long coloured socks. That'd help to stop the fall of *Sock Shop* - and the rise of my prick! - *Uncle Ezra, Balham*

Sure thing, Unc - just keep your pecker up! ♣

Poet's Corner

For some strange reason the Club office has been swamped with poetry lately - all of it crap. We like a joke as much as the next bloke, however, so we thought we'd print the worst we've had so far. And this, most definitely, is the very worst. But if you've got any crappier...

You are a man so tall and strong
And for your body I have longed
To hold me tight and caress me right,
To give me good loving all through the night.
I want you, I need you, take me, I'm yours,
Fulfil my desire, my body explore.
Kiss me softly, kiss me long,
Revive those feelings, that only for you belong.
Tease me gently, sucking my tits,
Nibble my nipples and lick my bits.
Cover my body in freshly whipped cream,
Lick me all over with your tongue to extremes
That leave me gasping and begging for more -
Give it to me hard, on all fours.
Enter your penis into an unknown land;
I'm throbbing and wet, in need of a man.
Take me now, I'm hot with desire,
I need your enormous cock to put out this fire.
Screaming and moaning with sounds of pleasure
I climax in ecstasy - I'm now yours for ever.

Yes, it seems that in the midst of Middle Wallop, Hants, there lurks a budding bard in the shape of Miss AF, who says that "friends encouraged her to send her work to us". Don't give up the day job, Miss AF - and if we see your friends, they'll be staring at the wrong end of Dominant Dowse's Kalashnikov. ♣

FINAL SCORE

Vinny Sprocket *explores everything you always wanted to know about chucking the girlfriend but were too afraid to try.*

1. Discuss it calmly and considerately. Say, "Every relationship needs space, and right now I want some time to myself to think things out - let's just be good friends, eh?" Not very effective.

2. Discuss it angrily. Tell her to fuck off. Extremely effective.

3. Arrange to meet her somewhere public and stand her up. Do it so often that she is included as a landmark in the next edition of the *A-to-Z*.

4. Invite her round for a passionate evening on the sofa - and then watch the football. Only hug her when they score, and only kiss her with a mouthful of crisps and warm lager.

5. Forget to buy her something for her birthday - or your anniversary, Easter, Christmas...

6. Get her an involving job. That big guy with the fedora and the limo is always looking for girls.

7. Say it with flowers. Buy her a bouquet if she gets hay fever, or Belgian chocolates or a large Italian meal if she's on a diet.

8. Take her for a night out with the lads. Make suggestive remarks about every other girl in the pub. Let Halitosis Harrison drool over her. Then insist she gets her tits out and judges the mooning contest.

9. Enlist her in the army for 12 years. Or, better still, invite the local weirdo religious cult leader to her place for coffee.

10. Turn up at her flat with your dirty washing. Tell her that all your previous girlfriends have scraped the skidmarks off your shreddies by hand, so that's what you're expecting!

11. Suggest something kinky to stop your sex life getting stale. Say that as an RSPB member you can only do it with both of you hanging upside from the bird table smothered in lard, with robins pecking at both your nipples.

12. Buy an answerphone. Every time she rings, say, "Oh it's you!" and turn it on, continuing to watch the snooker while she sobs out a heartrending message on to the tape.

13. Take her for a romantic candlelit dinner for two at an expensive restaurant. Then grab everyone's attention by getting down on one knee as if to propose, before throwing up over her.

14. Constantly listen to 0898 sex lines. Especially when you're shagging her.

15. Invite a strippagram to her dinner party. Ask him to incorporate into his poem her flat chest/frigidity/body odour problem...

16. Get her arrested. Casually mention her Irish great-great-grandad on her mother's side to a member of the West Midlands police.

17. Go for tea with her mummy and daddy. Fart loudly and cry, "I'll name that tune in one!"

18. Suggest a cuddle in the back row set of the cinema. Then take her to an all-nighter of *Halloween Friday Night the 14th of the Zombie Flesh Eaters On Elm Street Nos 1-to-10.*

19. Invite her over to your place in her sexiest gear. Then ignore her and sit reading Club.

20. Send her on holiday. Buy her an 'adventure weekend' - like hang-gliding over Beirut, taking afternoon tea with Terry Waite, or a gastronomic tour of Chernobyl.♣
